Harry L. Wilson

Preschool July Newsletter 2013:

Mayors in the Middle Jeffrey R. Henig, Wilbur C. Rich, 2020-12-08 Desperate to jump start the reform process in America's urban schools politicians scholars and school advocates are looking increasingly to mayors for leadership But does a stronger mayoral role represent bold institutional change with real potential to improve big city schools or just the latest in the copycat world of school reform du jour Is it democratic Why have efforts to put mayors in charge so often generated resistance along racial dividing lines Public debate and scholarly analysis have shied away from confronting such issues head on *Mayors in the Middle* brings together for students of education policy and urban politics as well as scholars and school advocates the most thoughtful and original analyses of the promise and limitations of mayoral takeovers of schools Reflecting on the experience of six cities Baltimore Boston Chicago Detroit Cleveland and Washington D C ten of the nation's leading experts on education politics tackle the question of whether putting mayors in charge is a step in the right direction Through the case studies and the wide ranging essays that follow and build upon them the contributors Stefanie Chambers Jeffrey R Henig Kenneth J Meier Jeffrey Mirel Marion Orr John Portz Wilbur C Rich Dorothy Shipps and Clarence N Stone begin the process of answering questions critical to the future of inner city children the prospects for urban revitalization and the shape of American education in the years to come The School News and Practical Educator ,1897

Gun Politics in America Harry L. Wilson, 2016-06-06 Covering the history of firearms and gun control in America this two volume work presents original documents and helps readers understand these documents in relation to the social and political context in which they were written Offering the most complete collection of primary documents on the subject of guns and gun politics this two volume set will give readers a comprehensive unbiased understanding of the complex and often surprising evolution of gun ownership gun culture and gun politics in the United States This fascinating history is examined through approximately 150 primary source documents from the Colonial era to the present day Each section opens with an informative headnote that provides important context for understanding the social and political milieu in which the document was created The chronologically arranged set begins with Colonial laws regulating firearms then proceeds through debates regarding the Second Amendment and laws that prohibited slaves from possessing guns The use and regulation of firearms in the Wild West is explored as is the era of Prohibition and organized crime in the 1930s Later chapters cover the impact of 1960s era racial and political violence and assassinations on gun laws and attitudes the struggles over gun control and gun rights in the Reagan Bush and Clinton administrations the increased clout of the NRA during the Bush administration and the impact of events ranging from the Sandy Hook Massacre to the Supreme Court's District of Columbia v Heller decision Documents include laws speeches court decisions Congressional debates and more giving college students and other interested readers the opportunity to evaluate each document and each period for themselves Engineering News and American Railway Journal ,1894 Justice Assistance News ,1983 *Good Parents, Better Homes, and Great Schools*

Karen Benjamin, 2025-06-09 *Good Parents Better Homes and Great Schools* examines how white residential developers planning consultants and their allies in government strategically replaced block level segregation with segregation at the neighborhood level in New South cities such as Atlanta Baltimore Birmingham Houston Raleigh and Winston Salem Going beyond the well known Home Owners Loan Corporation maps of the 1930s Karen Benjamin traces segregation tactics back to the late nineteenth century when this public private partnership laid the groundwork for the nationwide segregation strategies codified by the New Deal This book links the tactics of residential and school segregation to prevailing middle class ideas about what constitutes good parenting ensuring the longevity of both practices By focusing on efforts that specifically targeted parents Benjamin not only adds a new dimension to the history of residential segregation but also helps explain why that legacy has been so difficult to undo

Ending Extreme Inequality Scott Myers-Lipton, 2015-11-17 Poverty and inequality are at record levels Today forty seven million Americans live in poverty while the median is in decline The top 20 percent now controls 89 percent of all wealth These conditions have renewed demands for a new economic Bill of Rights an idea proposed by F D Roosevelt Truman and Martin Luther King Jr The new Economic Bill of Rights has a coherent plan and proclaims that all Americans have the right to a job a living wage a decent home adequate medical care good education and adequate protection from economic fears of unemployment sickness and old age Integrating the latest economic and social data *Ending Extreme Inequality* explores each of these rights Each chapter includes an analysis of the social problems surrounding each right a historical overview of the attempts to right these wrongs and assessments of current solutions offered by citizens community groups and politicians These contemporary real life solutions to inequality can inspire students and citizens to become involved and open pathways toward a more just society

The Conspiracy of the Good Michael E. James, 2005 *The Conspiracy of the Good* addresses nagging questions that are part of the public debate over schooling Why do our public schools especially those in poor and working class communities of color fail to live up to the promises of the American dream Why do reforms those standard items in political campaigns fail to create meaningful change This book argues that progressive well meaning good hearted men and women who often advocate good intentions in the name of helping those in need have ended up doing more harm than good *The Conspiracy of the Good* explores how these good intentions go awry Michael E James argues that the core value of the American experience is conflict not consensus despite what mainstream historians have espoused over the last few decades

School Bullying and Mental Health Helen Cowie, Carrie-Anne Myers, 2017-07-20 Bullying amongst young people is a serious and pervasive problem and recent rapid advances in electronic communication technologies have provided even more tools for bullies to exploit *School Bullying and Mental Health* collates current research evidence and theoretical perspectives about school bullying in one comprehensive volume identifying the nature and extent of bullying and cyberbullying at school as well as its impact on children and young people s emotional health and well being There are many negative consequences of bullying and children and young people

who have been victimised often suffer long term psychological problems such as increased levels of anxiety depressive symptoms social isolation loneliness and suicidal ideation Perpetrators of bullying also have a heightened risk of experiencing problems such as anxiety and depression as well as eating disorders and antisocial behaviour Founded on rigorous academic research this important book tackles the negative consequences of bullying and bullying culture itself by examining the social and cultural contexts that perpetuate such behaviour from childhood through adolescence and potentially into adulthood Containing contributions from an international team of authors this book explores current interventions to prevent and reduce school bullying and to alleviate its negative effects on the mental health of children and young people In depth discussion of the profound implications of this research for researchers practitioners and policymakers makes this book essential reading for those interested in bullying culture and the mental health and well being of children and adolescents
