

# PRINCIPLES OF MANAGEMENT

## ↳ Meaning of Principles of Management

Management principles are statement of fundamental truth. They act as guidelines for decision making and behaviour of managers.

## → Features of Principle of Management

1. Pervasive : The principles are universal in nature and can be applied to all types of organisations irrespective of their size and nature like business or non-business, big or small, public or private sector.
2. General guidelines : These principles are guidelines to managerial action. They do not provide readymade solution for any problem.
3. Formed by practice and experiments : The management principles are developed after deep observation and experimentation. They are not developed overnight and therefore they are evolutionary in nature.
4. Flexible : Management principles can be applied differently under different conditions. Some modifications can be made according to the requirement.
