Prepare Living Your Faith In An Increasingly Hostile Culture:

Prepare J. Paul Nyquist, 2015-01-30 The tipping point has been reached What now Marriage redefined Religious freedoms eroding The church marginalized How should we respond It s time to prepare prepare for a future none of us could have imagined just a few years ago Paul Nyquist will help you understand and live faithfully in this new America which is declining further and further into secularism and immorality and so growing increasingly hostile toward Christianity You ll find answers to questions like Are we really persecuted What does the Bible say about persecution How should I then live Prepare Living Your Faith in an Increasingly Hostile Culture will set forth a biblical theological and practical approach to navigating the challenging days ahead and a reason for hope and optimism the power of the gospel and the possibility of societal transformation

De verkennermindset Julia Galef, 2021-09-03 Hoe neem je echt de juiste beslissing Julia Galef laat zien hoe ons menselijk verstand werkt en hoe we in ons dagelijkse leven op een verkennende manier tot de beste beslissingen kunnen komen Volgens De verkennermindset van Julia Galef hebben we van nature de mindset van een soldaat we verdedigen automatisch datgene waar we in willen geloven en bestrijden afwijkende ideeën We denken misschien dat we de wereld objectief tegemoet treden maar onze hersenen doen dus precies het tegenovergestelde ze proberen nieuwe informatie netjes in te passen in het beeld dat we al hebben Om vaker cht gelijk te hebben moeten we ideeën benaderen als een verkenner niet als een soldaat Een verkenner is neutraal overziet het terrein en gaat op zoek naar alle beschikbare feiten gunstige en ongunstige om een zo compleet mogelijk beeld te krijgen Hij staat altijd open voor nieuwe informatie ook als die niet is wat hij had gehoopt Aan de hand van fascinerende praktijkverhalen van de beleggingsstrategie van Warren Buffett tot de Amerikaanse tweepartijenpolitiek laat Galef zien hoe je kunt omschakelen naar de verkennermindset zodat je voortaan de beste beslissingen neemt

The Scout Mindset Julia Galef, 2021-04-13 Original thought provoking and a joy to read Tim Harford Winner of best smart thinking book Business Book Awards and a Guardian best books of 2021 When it comes to what we believe humans see what they want to see In other words we have what Julia Galef calls a soldier mindset From tribalism and wishful thinking to rationalising in our personal lives and everything in between we are driven to defend the ideas we most want to believe and shoot down those we don t But if we want to get things right more often we should train ourselves to think more like a scout Unlike the soldier a scout s goal isn t to defend one side over the other It s to go out survey the territory and come back with as accurate a map as possible Regardless of what they hope to be the case above all the scout wants to know what s actually true In The Scout Mindset Galef shows that what makes scouts better at getting things right isn t that they re smarter or more knowledgeable than everyone else It s a handful of emotional skills habits and ways of looking at the world which anyone can learn With fascinating examples ranging from how to survive being stranded in the middle of the ocean to how Jeff Bezos avoids overconfidence to how superforecasters outperform CIA operatives to Reddit threads and modern partisan politics Galef explores why our brains deceive us and what we can do to change the way we

think Highly recommended It s not easy to become more of a scout but it s hard not to be inspired by this book Rutger Bregman With insights that are both sharp and actionable The Scout Mindset picks up where Predictably Irrational left off Reading it will teach you to think more clearly see yourself more accurately and be wrong a little less often Adam Grant

An Unexplainable Life Erica Wiggerhorn,2016-06-16 What can God do with fifty days In only fifty days Peter was radically transformed He went from being a man in the shadows denying even knowing Jesus to a man boldly proclaiming the resurrection of Jesus in the middle of the temple courts How did the change occur And more importantly can such a change occur within us today in the here and now For fifty days I invite you to dwell in the first twelve chapters of Acts Here we meet Peter face to face and encounter the source of his power We become challenged to grab hold of that power ourselves believing that God wants to do something in and through us that is unexplainable apart from Him Let s give God fifty days and see what He might do The purpose of this study isn t simply to reiterate a message You can find many studies on Acts Our purpose is to reignite a movement of the power of the Holy Spirit in each of us individually and in our churches collectively Are you ready Erica Wiggerhorn Participants will enjoy A verse by verse study spread over ten weeks 5 lessons week Many biblical theological and historical insights Text based discussion questions that truly provoke thought

Following Jesus Christ John K. Goodrich,Mark L. Strauss,2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary

Mauck, JD, 2017-07-04 Have you ever thought of Jesus as a lawyer It may sound odd but at times in His ministry Jesus wore his lawyer hat When he defended the adulterous woman when he argued from Scripture that the disciples were fine to pick grain on the Sabbath and in other instances Jesus insightfully applied to uphold justice and promote goodwill The legal aspects of Jesus ministry have long been obscured or misunderstood particularly his interactions with and attitude toward the law and lawyers Jesus desire in his day and ours is to use the law to secure the rights of people to hear the gospel and to set humanity free In other words to be the best citizens we can be we need to follow in the footsteps of the greatest citizen who ever lived Jesus in the Courtroom covers topics like Why we should care about the law Strategic involvement with the law How God has used the law to expand His kingdom What can happen when we partner with legal professionals How citizenship is part of discipleship Christian citizenship in matters like adoption abortion minimum wage foster care and schools We are citizens of two kingdoms but many of us duck and run when it comes to civil life For anyone who cares about their community parents teachers pastors you name it engagement with our legal system can play a huge role in the health of our communities and in cultivating a context where the gospel can flourish Jesus in the Courtroom will help us understand not only why we have failed to appreciate the legal aspect of Jesus life but also to understand and cooperate with his legal ministry to us and through us If

we are going to be faithful citizen disciples in this challenging new world we need to look anew at how Jesus taught thought and interacted with the legal establishment of his day
