Presbyterian Polity For Church Officers Third Edition:

Presbyterian Polity for Church Officers Joan S. Gray, Joyce C. Tucker, 1998-10-01 Now in a newly revised edition this detailed comprehensive interpretation of the Book of Order is the most complete resource of its kind since the church's reunion. It explains the system of Presbyterian government from sessions to presbyteries to synods to the General Assembly itself.

Presbyterian Polity for Church Leaders, Fourth Edition Joan S. Gray, Joyce C. Tucker, 2012-01-01 New revision of a best selling book for church leaders. **Making Disciples, Making Leaders** Steven P. Eason, 2004-01-01 This book offers a model for selecting and training church officers that is grounded in spiritual discernment and development. The book begins with a biblical understanding of leadership, moves into consideration for how to train a Nominating Committee to select leaders according to the biblical vision, and then offers a step by step plan for a training event with three components. The training plan is designed to build up the church leaders spiritually and to set their work in the context of discipleship as well as to teach them some of the fundamentals of the rules of governance of their denomination. The book concludes with concrete suggestions for how future work of the church board can be structured to reflect the emphasis highlighted in the training session.

Protestant Church Polity in Changing Contexts I Allan J. Janssen, Leo Koffeman, 2014 Church polity as a theological discipline has become increasingly aware of the challenge of contextuality due to tendencies like secularization in the global North and a renewed awareness of inherited cultural and religious traditions in the global South. The ecumenical movement offers a particular framework for reflection on such developments. Contexts I and Contexts II of *Protestant Church Polity in Changing Contexts* contain proceedings from an international conference held in Utrecht in November 2011. Contexts I ISBN 978 3 643 90310 5 includes essays in the fields of ecclesiology, church history, missiology, inter cultural theology and practical theology. The companion Contexts II ISBN 978 3 643 90311 2 presents a number of case studies. Series *Church Polity and Ecumenism: Global Perspectives* Vol 2. *History of Scotland. Third Edition.
