

END OF YEAR LETTER TO PARENTS

It has been a different type of year but we have all worked hard together to make a virtual classroom, one where it was safe to learn and one where we could engage in meaningful learning.

I enjoyed seeing how the children applied their motivation, independent learning, and study skills and how they have soared academically.

The varied assignments, activities, and projects were fun to explore and complete. Despite not being together physically in a brick-and-mortar classroom, we were able to make a successful online classroom. Within this setting, we sharpened our emotional and social skills and stretched our creativity, problem solving, and higher level thinking.

I wish your child and you all the best for a wonderful summer. May your child continue to flourish and do well next year and the year after.
