Presentation Basics Astd Training Basics:

A Practical Guide to Training and Development Michael Moskowitz, 2008-07-23 To stay ahead of the competition today's organizations must invest in ongoing training that continuously improves their employees' knowledge and skills. A Practical Guide to Training and Development is a comprehensive resource that offers a theoretical, strategic, and practical foundation of the entire training process. The book outlines a step-by-step approach for assessing, designing, delivering, and evaluating training.

Virtual Training Basics, 2nd Edition Cindy Huggett, 2018-04-10 It's a digital world; is your training up to speed? Build your virtual training skills with this new edition of Virtual Training Basics by Cindy Huggett. You don't have to be a tech wizard to follow her tested and proven techniques for enhancing your virtual training design and delivery. E-learning has been around since the late 90s, but it continually evolves. Sometimes it may seem impossible to keep up, but your learners need courses that they can take anywhere. Organizations need to save money and time on travel, and everyone expects your material to be as current as possible. Take it back to the basics. Virtual Training Basics will get you started with the fundamentals of virtual training and then build you up through design and facilitation with updated material and two new chapters to cover the latest breakthroughs and skills you need to know. In this book, you will get tips from a variety of seasoned virtual trainers. Gain insight into the differences and similarities between facilitating in-person training and virtual training. Understand the fundamentals of virtual training design. Whether you're new to virtual training or looking for ways to update your existing skills, Virtual Training Basics 2nd edition will take you there.

Facilitation Basics, 2nd Edition Donald V. McCain, 2015-09-07 Stop presenting and start facilitating meaningful learning. Whether you are a subject matter expert who occasionally takes on a trainer role, a trainer who wants to build on solid presentation skills, or anywhere in between, Facilitation Basics will help you create supportive and effective learning. This complete how-to guide is designed to improve your facilitation proficiency so you can give face-to-face as well as online and virtual classroom learners your best. Part of ATD's Training Basics series, this publication offers practical examples, worksheets, and tools that make workplace learning easy and rewarding. You'll walk away with proven facilitation techniques and a deeper understanding of how to manage difficult participants and use media to support learning. This refreshed second edition will guide you through how to enhance your skills as a facilitator, create supportive and effective learning environments for face-to-face and online learners, ensure learning is transferred to the job.

About the Training Basics Series: ATD's Training Basics series provides a baseline explanation of the theories and concepts behind featured topics as well as instructions for their practical day-to-day application in the workplace. Additional titles include Adult Learning Basics, Competency-Based Training Basics (the second edition of Training Design Basics), and Virtual Training Basics.

Human Resource Information Systems: Basics, Applications, and Future Directions Michael J. Kavanagh, Mohan Thite, Richard D. Johnson, 2011-07-14 We used the first edition, and it is the most thorough review of HR Technology on the market.
