Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine

40 Questions About Arminianism J. Matthew Pinson, 2022-04-19 The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions Answers beyond a basic caricature can be elusive What are the essential historical backgrounds of Arminianism and what theological teachings connect to the Arminian point of view Mixing solid historical research with biblical and doctrinal precision Baptist scholar J Matthew Pinson clarifies the foundations of this influential tradition 40 Questions About Arminianism addresses the following questions and more Who was Jacobus Arminius How has the church interpreted God's desire that everyone be saved How is Arminianism different from Calvinism Can one be both Reformed and Arminian What is universal enabling grace What do Arminians mean by free will Do Arminians believe that God predestines individuals to salvation Is it possible for a Christian to apostatize An accessible question and answer format helps readers pursue the issues that interest them most and encourages a broad understanding of historic and contemporary Arminianism with additional resources available at 40questions.net

Monergism or Synergism Daniel Kirkpatrick, 2018-01-11 The tensions between Calvinism and Arminianism have perpetuated Christian thought for some 500 years The concerns from both parties are legitimate Calvinists are often accused of fatalism along with holding to a troubling view of double predestination Arminians are often accused of holding to a human centered view of salvation that robs God of glory while championing human ability Could it be that many of the tensions between Calvinists and Arminians are sourced in an often overlooked issue monergism and synergism Could the same be said regarding Protestantism and Roman Catholicism concerning justification In this volume Daniel Kirkpatrick explores the specific roles of God and humans in various aspects of salvation to determine whether salvation is a work between God and a person synergism or a work of God alone monergism Building upon the framework of Aquinas the Reformers and Arminians

this book examines the issue of who does the work of salvation in light of cause and effect with hopes of providing new insights on historic doctrines *Christian Theology* Adam Harwood,2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's *Christian Theology* is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why **Molinist Philosophical and Theological Ventures** Kirk R. MacGregor,2022-10-04 This volume represents a significant advance of the philosophical and theological conversation surrounding Molinism It opens by arguing that Molinism constitutes the best explanation of the scriptural data on divine sovereignty human freedom predestination grace and God's salvific will The alleged biblical prooftexts for open theism are better explained according to Kirk MacGregor by Molinism Responding to philosophical critics of Molinism MacGregor offers a novel solution to the well known grounding objection and a robust critique of arguments from explanatory priority He also presents a Molinist interpretation of branching time models as heuristic illustrations of the relationship between possibility and feasibility Seeking to push Molinism into new territories MacGregor furnishes a Molinist account of sacred music according to which music plays a powerful apologetic function Finally regarding the nature of hell MacGregor contends that Molinism is compatible with both eternalism and eventual universalism Reconstructing Evangelicalism Gerald Hiestand,Joel Lawrence,2024-12-23 Over the past few years Evangelicalism has been marked by a deconstructionist movement in which many especially younger Evangelicals have been leaving the Evangelical tradition Some have left the Christian faith altogether due to what they perceive to be deep inconsistencies inadequacies and hypocrisies But is deconstruction the right response to these problems or is there a better way Rather than tearing down the structures and institutions they inhabit Evangelicals can trusting in the promise that Christ will build his church commit themselves to the project of reconstruction With every challenge comes an opportunity to press deep below the surface assess weak foundations and build stronger healthier Evangelicalisms than those inherited *Reconstructing Evangelicalism* explores these very challenges and opportunities to aid the church in the rebuilding project necessary in the present age *The History of Apologetics* Zondervan,2020-06-16 ECPA Christian Book Award 2021 Finalist Biography Memoir Explore Apologetics through the Lives of History's Great Apologists The History of Apologetics follows the great apologists in the history of the church to understand how they approached the task of apologetics in their own cultural and theological context Each chapter looks at the life of a well known apologist from history unpacks their methodology and details how they approached the task of defending the faith By better understanding how apologetics has been done readers will be better able to grasp the contextualized nature of apologetics and apply those insights to today's context The History of Apologetics covers forty four

apologists including Part One Patristic Apologists Part Two Medieval Apologists Part Three Early Modern Apologists Part Four 19th C Apologists Part Five 20th C American Apologists Part Six 20th C European Apologists Part Seven Contemporary Apologists *How Does God Act in the World?* David Wilkinson,2025-05-29 Does God act in the world and if God does then how These questions are central questions for Christian theology and Christian mission and ministry Is God simply a creator who then goes on holiday and leaves the universe to develop or is God the one who is embodied in Jesus the God of signs and wonders death and resurrection And what does this mean for signs and wonders today in the life of individuals and local churches From The Simpsons to a wedding in Cana from grace to quantum theory and from the problem of evil to eschatology David Wilkinson argues that the biblical picture of a God who acts in the world makes sense in the light of modern science but how God acts cannot be reduced to simple models **The Perfection of Our Faithful Wills** Nicholas Rudolph Quient,2019-12-06 Be perfect as your heavenly Father is perfect What does it mean to be perfect Is entire sanctification possible in this life Such words evoke worry and wonder in this time In this introductory resource pastor Nick Quient carefully explores the relevant questions surrounding Pauline theology and the journey toward perfect holiness in Christ Addressing topics like sin heaven marriage and the work of Jesus Christ in relation to sanctification this book is a helpful resource for the church and for pastor theologians who are seeking to live out the life of the Spirit
