The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Ancient Jewish Historians and the German Reich Daniel R. Schwartz, 2024-04-01 Apart from an opening survey of modern study of ancient Jewish history which emphasizes the foundational role of German Jewish scholars the studies united in this volume apply philological methods to the writings of four of them Heinrich Graetz Isaak Heinemann Elias Bickerman and Abraham Schalit In each case it is argued that some seemingly trivial anomaly or infelicity in a publication about such ancient characters as Antiochus Epiphanes Herod and Josephus points to the way in which the historian constructed and revised his understanding of the Jews situation under Greeks or Romans in light of his perception of the Jews situation under the Second or Third Reich The collection also includes a study that focuses on a Jewish medievalist Philipp Jaff and unravels the indirect but inexorable process that led from a scholarly feud about the editing of medieval Latin texts in the 1860s to the Berlin Antisemitism Dispute Berliner Antisemitismusstreit of 1879 1881 which is commonly viewed as the opening act of modern German antisemitism
