The Living Church , 1962 **Narnia and the Fields of Arbol** Matthew Dickerson, David O'Hara, 2008-12-19 An exploration of the *Chronicles of Narnia* and the *Space Trilogy* that enriches our understanding of how to care for our world Alan Jacobs author of *Breaking Bread with the Dead* In *Narnia and the Fields of Arbol* The Environmental Vision of C S Lewis authors Matthew Dickerson and David O Hara illuminate an important yet overlooked aspect of the author s visionary work They go beyond traditional theological discussions of Lewis s writing to investigate themes of sustainability stewardship of natural resources and humanity s relationship to wilderness The authors examine the environmental and ecological underpinnings of Lewis s work by exploring his best known works of fantasy including the seven books of the *Chronicles of Narnia* and the three novels collectively referred to as the *Space Trilogy* Taken together these works reveal Lewis s enduring environmental concerns and Dickerson

and O Hara offer a new understanding of his pioneering style of fiction Narnia and the Fields of Arbol the first book length work on the subject finds the author s legacy to have as much in common with the agrarian environmentalism of Wendell Berry as it does with the fantasy of J R R Tolkien In an era of increasing concern about deforestation climate change and other environmental issues Lewis s work remains as pertinent as ever The widespread adaption of his work in film lends credence to the author s staying power as an influential voice in both fantastical fiction and environmental literature With Narnia and the Fields of Arbol Dickerson and O Hara have written a timely work of scholarship that offers a fresh perspective on one of the most celebrated authors in literary history Both revelatory and a pleasure to read Robert Siegel award winning author of The Whalesong Trilogy **A Pastor's Highways on the Way to the New Jerusalem** Arthur Jarrell Tankersley,2021-10-29 David Brooks wrote in The Second Mountain A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God s story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan s Christ s invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands
