Princeton Readings In Religion And Violence:

Princeton Readings in Religion and Violence Mark Juergensmeyer, Margo Kitts, 2011-10-10 An anthology that examines the historical and contemporary relationship between religion and violence This groundbreaking anthology provides the most comprehensive overview for understanding the fascinating relationship between religion and violence historically culturally and in the contemporary world Bringing together writings from scholarly and religious traditions it is the first volume to unite primary sources justifications for violence from religious texts theologians and activists with invaluable essays by authoritative scholars The first half of the collection includes original source materials justifying violence from various religious perspectives Hindu Chinese Christian Muslim Jewish and Buddhist Showing that religious violence is found in every tradition these sources include ancient texts and scriptures along with thoughtful essays from theologians wrestling with such issues as military protection and pacifism The collection also includes the writings of modern day activists involved in suicide bombings attacks on abortion clinics and nerve gas assaults The book's second half features well known thinkers reflecting on why religion and violence are so intimately related and includes excerpts from early social theorists such as Durkheim Marx and Freud as well as contemporary thinkers who view the issue of religious violence from literary anthropological postcolonial and feminist perspectives The editors brief introductions to each essay provide important historical and conceptual contexts and relate the readings to one another The diversity of selections and their accessible length make this volume ideal for both students and general readers

Princeton Readings in Religion and Violence Mark Juergensmeyer, Margo Kitts, 2011-10-30 An anthology that provides the comprehensive overview for understanding the relationship between religion and violence historically culturally and in the contemporary world It includes original source materials justifying violence from various religious perspectives Hindu Chinese Christian Muslim Jewish and Buddhist

Religion and Violence Paul Powers, 2020-07-28 Does religion cause much of the world's violence Is religion inherently violent Would violence disappear if religion did Is true religion a force for peace Is religion a mask for power and self interest What aspects of religion make violence more or less likely Religion and Violence A Religious Studies Approach explores the potential of classic social theories to shed light on the relationships between religion and violence This accessible and engaging book starts from the premise that both religion and violence are ordinary elements of social life and that rather than causing violence religion plays a crucial role in the management of violence Ideal for any student approaching the topic of religion and violence for the first time this core textbook includes chapter overviews and summaries guides for applying theory to real world events discussion questions and case studies Further teaching and learning resources are available on the accompanying companion website

Religion, Violence and Cities Liam O'Dowd, Martina McKnight, 2016-04-14 In exploring the connections between religion violence and cities the book probes the extent to which religion moderates or exacerbates violence in an increasingly urbanised world Originating in a five year research project Conflict in Cities and the

Contested State concerned with Belfast Jerusalem and other ethno nationally divided cities this volume widens the geographical focus to include diverse cities from the Balkans the Middle East Nigeria and Japan In addressing the understudied triangular relationships between religion violence and cities contributors stress the multiple forms taken by religion and violence while challenging the compartmentalisation of two highly topical debates links between religion and violence on the one hand and the proliferation of violent urban conflicts on the other hand Their research demonstrates why cities have become so important in conflicts driven by state building fundamentalism religious nationalism and ethno religious division and illuminates the conditions under which urban environments can fuel violent conflicts while simultaneously providing opportunities for managing or transforming them This book was published as a special issue of Space and Polity

Violence and the World's Religious Traditions Mark Juergensmeyer, Margo Kitts, Michael K. Jerryson, 2017 An introductory survey of the whole field of study of religion and violence It includes overviews of major religious traditions and it analyzes patterns and themes relating to religious violence It also explores major analytic approaches and forges new directions in the study of this important emerging field

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

The Oxford Handbook of Religion, Conflict, and Peacebuilding Atalia Omer, R. Scott Appleby, David Little, 2015-01-28 This volume provides a comprehensive and interdisciplinary account of the scholarship on religion conflict and peacebuilding Looking far beyond the traditional

parameters of the field the contributors engage deeply with the legacies of colonialism missionary activism secularism orientalism and liberalism as they relate to the discussion of religion violence and nonviolent transformation and resistance Featuring numerous case studies from various contexts and traditions the volume is organized thematically into five different parts It begins with an up to date mapping of scholarship on religion and violence and religion and peace The second part explores the challenges related to developing secularist theories on peace and nationalism broadening the discussion of violence to include an analysis of cultural and structural forms In the third section the chapters explore controversial topics such as religion and development religious militancy and the freedom of religion as a keystone of peacebuilding The fourth part locates notions of peacebuilding in spiritual practice by focusing on constructive resources within various traditions the transformative role of rituals youth and interfaith activism in American university campuses religion and solidarity activism scriptural reasoning as a peacebuilding practice and an extended reflection on the history and legacy of missionary peacebuilding The volume concludes by looking to the future of peacebuilding scholarship and the possibilities for new growth and progress Bringing together a diverse array of scholars this innovative handbook grapples with the tension between theory and practice cultural theory and the legacy of the liberal peace paradigm offering provocative elastic and context specific insights for strategic peacebuilding processes

Politics of Religion and Nationalism Ferran

Requejo, Klaus-Jürgen Nagel, 2014-12-17 There are numerous examples of how religion and nationalism intertwine In some cases a common religion is the fundamental marker of a nation's identity whereas in others secular nationalism tries to hold together people of different religious beliefs This book examines the link between religion and nationalism in contemporary politics By exploring case studies on India Russia Israel Canada Chechnya Bosnia Herzegovina Belgium Northern Ireland Scotland Sri Lanka Catalonia and the Basque Country it seeks to understand the relationship between these two key societal forms of diversity and assess the interaction between religious and nationalist perspectives Expert contributors examine a variety of phenomena including secular nationalism secessionism and politics in which religious pluralism is evolving This book will be of interest to students and scholars of political science religion and politics nationalism federalism secession political philosophy racial and ethnic politics and comparative politics

Joshua 1-12 Thomas B. Dozeman, 2015-01-01 An acknowledged expert on the Hebrew Bible Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature function and causes of the religious violence depicted therein By blending the distinct teachings of Deuteronomy and the Priestly literature Dozeman provides a unique interpretation of holy war as a form of sacred genocide arguing that since peace in the promised land required the elimination of the populations of all existent royal cities a general purging of the land accompanied the progress of the ark of the covenant This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua an independent book between Deuteronomy and Judges The author traces the evolution of this reinterpretation of the central

themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book's reception history **Spirituality** Roger S. Gottlieb, 2013 Roger S. Gottlieb provides a lucid and accessible overview of what spirituality is enabling a clear-eyed understanding of the concept its manifold connections to other aspects of personal and social life its role as a positive psychological and social phenomenon and some of the risks that attend it
