**Printed in the Punjab**, 1898 **Eminent Grewals** Dr Dalvinder Singh Grewal, *Music in Colonial Punjab* Radha Kapuria, 2023-04-15 This book offers the first social history of music in undivided Punjab 1800 1947 beginning at the Lahore court of Maharaja Ranjit Singh and concluding at the Patiala royal darbar It unearths new evidence for the centrality of female performers and classical music in a region primarily viewed as a folk music centre featuring a range of musicians and dancers from mirasis bards and kalawants elite musicians to kanjris subaltern female performers and tawaifs courtesans A central theme is the rise of new musical publics shaped by the anglicized Punjabi middle classes and British colonialists response to Punjab s performing communities The book reveals a diverse connoisseurship for music with insights from history ethnomusicology and geography on an activity that still unites a region now divided between India and Pakistan

*Faith, Gender, and Activism in the Punjab Conflict* Mallika Kaur, 2020-01-14 Punjab was the arena of one of the first major armed conflicts of post colonial India During its deadliest decade as many as 250 000 people were killed This book makes an urgent intervention in the history of the conflict which to date has been characterized by a fixation on sensational violence or ignored altogether Mallika Kaur unearths the stories of three people who found themselves at the center of Punjab s human rights movement Baljit Kaur who armed herself with a video camera to record essential evidence of the

conflict Justice Ajit Singh Bains who became a beloved people's judge and Inderjit Singh Jaijee who returned to Punjab to document abuses even as other elites were fleeing Together they are credited with saving countless lives Braiding oral histories personal snapshots and primary documents recovered from at risk archives Kaur shows that when entire conflicts are marginalized we miss essential stories stories of faith feminist action and the power of citizen activists **Punjab District Gazetteers: Rupnagar** Punjab (India),1987 Handbook of AI in Engineering Applications Ajay Kumar,Sangeeta Rani,Krishna Dev Kumar,Manish Jain,2025-08-12 There is a need to categorize artificial intelligence AI applications tools techniques and algorithms based on their intended use in various design stages Specifically there is a need to explore AI techniques that are utilized for tasks such as designing including but not limited to inspiration idea and concept generation concept evaluation optimization decision making and modeling This includes things like generating ideas and concepts evaluating those ideas optimizing designs making decisions and creating models This handbook brings all of these categories with compatible AI techniques tools and algorithms together in one place Handbook of AI in Engineering Applications Tools Techniques and Algorithms covers applications of AI in engineering and highlights areas such as future cities mechanical system analysis and robotic process automation and presents the application of AI and the use of computerized systems that aim to simplify and automate the processes of design and construction of civil works The handbook discusses the design and optimization of mechanical systems and parts such as engines gears and bearings which can be automated using AI and it explores the performance of robotics and automation systems which can be simulated and analyzed using AI to forecast behavior spot future issues and suggest changes Rounding out this handbook is AI technology automation and how analyzing relevant data can provide a reliable basis for relevant personnel to carry out their work This handbook fills the gap between R D in AI and will benefit all stakeholders including industries professionals technologists academics research scholars senior graduate students government and public healthcare professionals *Exploring Gender and Sikh Traditions* Doris R. Jakobsh,2021-09-01 This volume gathers scholars who focus on gender through a variety of disciplines and approaches to Sikh Studies The intersections of religion and gender are here explored based on an understanding that both are socially constructed Far from being static as so often presented in world religions textbooks religious traditions are constantly in flux responding to historical cultural and social contexts So too is the Sikh tradition in terms of practices ideologies rituals and notions of identity We here conclude that a Sikh tradition does not exist instead there are numerous forms thereof In this volume Sikhism is presented as a collection of Sikh traditions Gender studies in line with women's liberation masculine and feminist studies have long examined and have long deconstructed the patriarchy but also move to identify other subordinate dominant relations between individuals Indeed there are numerous forms of discrimination and power structures that simultaneously create a multiplicity of oppression Intersectionality has become the basis of an increasingly systematized production of contemporary discourses on feminism and gender analysis as is evidenced by the varied contributions in this
