Public Finance An International Perspective:

Public Finance: An International Perspective (Revised Edition) Joshua E Greene, 2020-11-27 Drawing from current examples from a variety of countries Public Finance An International Perspective addresses the main issues in contemporary public finance including fiscal sustainability state enterprises and a variety of subsidies There are relatively few textbooks on public finance and many of them focus on the experience and issues facing the United States This book sets out to address the critical issues from other countries particularly those from the developing world or emerging market countries who have received less attention in other texts Written in a highly accessible manner this book is a useful reference for students and practitioners alike

Public Finance: An International Perspective Joshua E Greene, 2011-12-13 This book expands on issues like fiscal sustainability state enterprises and the variety of subsidies with a multi country focus Drawing examples from numerous countries it presents issues in contemporary finance and especially fiscal policy that can benefit researchers and civil servants from both developed as well as developing worlds and emerging market economies Written in a simple and accessible manner this book will be of interest to civil servants and practitioners It also serves as a reference source for students and academics and can be used as a textbook for advanced courses on public finance

International Perspectives on Financing Higher Education Josef C. Brada, Wojciech Bienkowski, Masaaki Kuboniwa, 2015-10-05 Higher education is increasingly important to the labor market success of individuals and the prosperity of nations yet as this book shows public funding for higher education is declining It presents innovative approaches to increasing funding for universities through closer ties with business and through privatization of universities

Environmental Policy in an International Perspective Laura Marsiliani, Michael Rauscher, Cees Withagen, 2013-06-29 The volume contains papers presented at a conference On the International Dimension of Environmental Policy It deals with two issues international environmental agreements environmental policies in open economies Both issues are hot topics The debate on how to cope with global climate change has become increasingly heated and controversial and the relationship between trade and the environment is on the WTO agenda The book contains review papers in which leading scholars in the field summarise the state of the art and original research extending the state of the art Most of the papers are theoretically oriented but some papers also present empirical results using new econometric methods and new data The book contains material for those students of economics and researchers who wish to deepen their knowledge in the area of International Environmental Economics but also for those who endeavour to break new ground in this important field of research

Public Financial Management Howard A. Frank, 2006-01-13 Public Financial Management covers the five major pillars of this sub discipline of public administration context public finance retirement systems performance measurement and budgeting and international perspectives This text offers practitioners information valuable in their day to day operations while also providing students in public adm

Perspectives on Fiscal Federalism Richard Miller Bird, François Vaillancourt, 2006-01-01 This book addresses a variety of

issues relating to intergovernmental finance and the provision and financing of local services including budgeting and financial management the institutional framework for the conduct of intergovernmental relations appropriate methods of service delivery in metropolitan agglomerations and remote rural areas local government enterprises user charges property taxes income and value added taxes natural resource taxes and local business taxes Throughout the authors draw on experience both in Canada and in other decentralized countries and consider to vary *Local Public Finance and Economics* Harry Kitchen, Melville McMillan, Anwar Shah, 2019-09-05 Globalization and the information revolution have highlighted the catalytic role of local governments for improving economic and social outcomes at the local level as well as growing the national economy by enhancing international competitiveness This comprehensive account of local public finance and economics brings together principles and better practices for improving quality and access of local public services provision The volume covers assignment of responsibilities jurisdictional design local service delivery local regulation local self financing options such as income sales property and environmental taxation user charges and fees infrastructure finance options and higher order government financing of local governments The treatment is non technical and suitable for a wide variety of audiences including scholars instructors students media policy advisers and practitioners [The New Palgrave Dictionary of Economics](#), 2016-05-18 The award winning The New Palgrave Dictionary of Economics 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists Regularly updated This product is a subscription based product *Fiscal Aspects of Evolving Federations* David E. Wildasin, 1998 [Local Government Economics in Theory and Practice](#) David Neden King, 2022-01-29 First published in 1992 Local Government Economics in Theory and Practice is an effort to rectify the lack of a comparative analysis between democratic local governments of various countries and their methods of financing A series of chapters examines the theoretical basis for different systems of local government finance and how these systems work out in practice The book covers various aspects of reforms in the United Kingdom and elsewhere and includes a discussion of the rationale for the community charge This collection of essays will be of importance to students of economics and public policy
