Life and Times of Thomas Jefferson Michelle Graye, 2014-12 The world of Thomas Jefferson born 1743 is one of the most interesting in the history of the United States Manor born in Shadwell Virginia Jefferson was one of the giants of our early history of the republic Other than George Washington no other single individual had such an impact on how we live govern and respect the rights of others than Thomas Jefferson a giant among giants This is a faithful reproduction of an 1862 biography written on the Life and Administration of Thomas Jefferson Very readable in this modern Lulu edition and as the compiler I'm very excited to see new scholarship coming out on TJ that keeps him at the top of the apex game of who was our greatest president

George Washington: America's First Great Man of Portraits Michelle Graye, 2014-05-19 This remarkable book originally published in 1908 by Charles Allen Munn goes into great detail with fabulous illustrations of the portraiture done by the famous artists of the day Gilbert Stuart John Trumbull and Charles Willson Peale to commemorate our first president George Washington As an added bonus the 12 page article on Gilbert Stuart from Wikipedia is included as an appendices to the original 1908 work

The Doubts Regarding the Ruling of Democracy In Islam IslamKotob, Aaron Burr vs Thomas Jefferson: History Decides Michelle Graye, 2014-05-25 In the quest to have an accurate record of history it is necessary to research and study our recent past For the first time at Lulu this book originally published in 1900 is the case for Aaron Burr as written by a very sympathetic biographer Fortunately history shows that Burr was a scoundrel and a traitor though he skated on being convicted Mr Jefferson had two very formidable opponents in his lifetime Burr and Hamilton so this is the book to read to understand the genius that was Thomas Jefferson

Thomas Jefferson Political Musings or Anas (1791-1809) Thomas Jefferson, 2014-05-17 Originally published in 1903 this collection of political musings called Anas was kept by Thomas Jefferson between the years of 1791-1809 to keep track of his political friends and foes Never one to ever filter much in his private writings this volume offers rare insight into the most complicated and cunning politician of his day

Splendid Misery: Domestic Life in the White House Monticello West, 2014-06-02 This is a very interesting read about life in the White House by the early inhabitants prior to 1907 written to show the domestic life of our presidents their first ladies and often times their relatives and children

Gilbert Stuart: Master Portrait Painter Monticello West, 2014-06-12 Our founding fathers George Washington Thomas Jefferson et al were always one step ahead of history and having an artist

of such immense talents as Gilbert Stuart to paint their portraits has made the images of our founding fathers indelible in the minds of the modern reader As a TJ enthusiast I often wonder how amazing it must of been to have sat for Gilbert Stuart a known storyteller and have your portrait painted Mr Jefferson was a favorite portrait sitter and this book is a lovely trip down memory lane circa 18th century to read about the fascinating story behind the portraits and the artist
