Music in Disney's Animated Features James Bohn,2017-05-12 In *Music in Disney's Animated Features* James Bohn investigates how music functions in Disney animated films and identifies several vanguard techniques used in them In addition he also presents a history of music in Disney animated films as well as biographical information on several of the Walt Disney Studios seminal composers The popularity and critical acclaim of Disney animated features truly is built as much on music as it is on animation Beginning with Steamboat Willie and continuing through all of the animated features created under Disney s personal supervision music was the organizing element of Disney s animation Songs establish character aid in narrative and fashion the backbone of the Studios movies from Snow White and the Seven Dwarfs through The Jungle Book and beyond Bohn underscores these points while presenting a detailed history of music in Disney s animated films The book includes research done at the Walt Disney Archives as well as materials gathered from numerous other facilities In his research of the Studios notable composers Bohn includes perspectives from family members thus lending a personal dimension to his presentation of the magical Studios musical history The volume s numerous musical examples demonstrate techniques used throughout the Studios animated classics *Fairytales—A World between the Imaginary* Carmela

Scala,2015-02-05 This book investigates Basile s contribution to the establishment of fairytales as a literary genre the focus is on his masterpiece *Lo cunto de li Cunti* The volume examines Basile s work s debt to tradition and its influence on posterity while also studying the author s unique use of metaphors in the rich Neapolitan dialect As this study reveals metaphors in *Lo cunto de li cunti* are not used simply as a mean of embellishment rather they are employed as a way to inform the reader of the rich folkloric tradition of Naples during the baroque times as well as of Basile s discontent with the socio political situation of his times The use of metaphors is so pervasive that one could argue that the book is itself a metaphor through which Basile conveys his ideals and his utopia of a liberated Naples and a more just society as well as the importance of the Neapolitan dialect and its linguistic registers Furthermore the book also proposes a new interpretation of the female

characters of the tales and it instigates a discussion on gender roles in both modern and past societies
