Security Blankets How Peanuts Touched Our Lives:

Security Blankets Donald Fraser, Derrick Bang, 2009-04-21 Charles M Schulz and his beloved comic strip Peanuts have changed the world In *Security Blankets* Fraser and Bang present a heartwarming collection of 51 touching true stories to show the connection people have with the adored cartoon Stories photos from the contributors and Peanuts artwork make this work extra special The connections are so strong they've even had the power to change people's lives Take for example the Vietnam POW whose first piece of correspondence while in captivity was a Snoopy card that included a picture of his wife and children Or the 5 year old boy from Boston who demanded that his stuffed Snoopy accompany him to the hospital for a high risk surgery Connections such as these show how Peanuts has become a security blanket for thousands This is chicken soup for the Peanuts lover's soul Excerpt from the book But what made this drawing different was the unique countdown calendar that my father had drawn on Snoopy's belly Each square on the calendar which my sisters and I would cross out meant that our dad was one day closer to coming home Every time a square was marked off that drawing Snoopy brought a bit of happiness and security to a war weary and scared ten year old girl who desperately missed her Daddy Did Snoopy help bring my father safely home from the Vietnam War Maybe maybe not But to this day whenever I see Snoopy especially when he's performing his happy dance my heart is grateful and filled with loving memories of my Dad
