Seeing For Ourselves Biblical Women Who Met Jesus:

The Living Church ,2002-06 Seeing for Ourselves Katerina Katsarka Whitley,2002-01-01 In this provocative collection of dramatic monologues the author gives powerful voice to the New Testament women who met Jesus before and after the Resurrection There are many powerful women in the Bible but their descriptions are almost always tantalizingly brief If they had the chance to tell their own stories in their own voices what would they have said Basing her interpretation of these women on extensive research Katerina Whitley puts herself in their shoes giving today s listeners a fuller understanding of each of their stories The women explored some well known and others less familiar include the Virgin Mary Miriam Mary Magdalene Elizabeth the Syrophoenician or Canaanite woman Lydia Ruth Martha Gomer Michal Tamar and Peter s wife Each woman speaks for herself in these monologues in a way that brings the biblical issues and questions into contemporary focus An introduction to each woman and study questions at the end of each piece make this an ideal book for individuals and groups

Banned Questions About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives

The Carpenter's Son Ron W. Simmons,2017-08-09 What is humanity s ultimate destiny Could there be life beyond the grave What is genuine spirituality These questions and many more are answered by a carpenter s son Jesus born in ancient Judaea two thousand years ago He healed thousands yet never received medical training He taught in streets homes and temples yet never achieved scholarly status He demanded perfection yet chose the imperfect to follow him He spoke of the arrival of an eternal kingdom yet he never ran for political office or led a nation He spoke of peace and love yet led the greatest counter revolutionary effort in human history Despised by his critics and revered by society s lowest

members Jesus still speaks to our deficiencies as well as our weaknesses and assures a redemption we could never achieve on our own. Out of an original rebellion we all face a self-imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate. Yet God has achieved the greatest comeback in history by conquering death and in doing so has prepared for us a victory we could not possibly imagine for to lose all is to gain all. A View of the Bible Through Mascaraed Lashes AJ Whiting, 2013-06-04. A perhaps different rendering of the stories you should have been told. Written with the hope that when you have been or have yet to be faced with the decision to where your personal journey will lead you will choose the path that will lovingly dance you into HIS warm embrace. In a seemingly male-dominated hierarchy of faith the Big Guy upstairs has always included the female gender in His modus operandi never to be shunned by the gender that seems to be more at a loss for words less likely to attempt deeds that go unrewarded and has more alpha issues than a bowl of alphabet soup. **Providence in the Story of Scripture** Adamson Co, 2025-05-06. The doctrine of providence is often too abstract, complex or detached from real-life situations for introductory students. Drawing on years of experience in the classroom and the church Adamson Co offers an introductory guide that uses the creation motif of the Bible to highlight the importance of providence for the Christian life. Co begins with a brief introduction to providence to give students the state of the question. He then explores the classical theme of the seventh and eighth days of creation as a helpful way to understand providence. He sets providence and human existence within the metanarrative of the Bible while explicating the doctrine in an overview fashion. Co demonstrates how the seventh and eighth days of creation bring clarity to traditional issues raised in systematic theology such as preservation, governance and concurrence, the problem of evil and divine sovereignty and human free will. Providence in the Story of Scripture challenges readers to live out a life of partnership with God in his providence and shows how the blessed hope of the Christian faith is God's life-transforming providence for today. The book includes a foreword by Kevin J. Vanhoozer. **The Woman's Study Bible, NIV** Thomas Nelson, 2013-04-02. The Woman's Study Bible has special notes and features appealing to women's interests, highlighting women throughout Scripture and capturing the unique ways Christ cared for women. This Bible truly speaks to a woman's heart. Fox's Book of Martyrs John Foxe, 1851. The View of a Christian Richard Sallis, 2017-09-19. In every person's heart there's an image, a picture we view ourselves by. Everything we speak, think and do is governed by it. We believe we struggle with things, but truthfully our struggle is about the view we established in our heart. God provided the perfect view for us in Christ Jesus. He has perfected the view we are to have of ourselves and in The View of a Christian the view God has of us will transform our lives. In The View of a Christian God's view of us will equip us to view ourselves through His eyes. If you are new to the Christian faith or seasoned in your walk, developing the correct view will equip you to understand how God sees you in Christ. Equip you to enter the promises of God. Overcome obstacles that appear to hold you back. Inspire you in your faith. Develop a more intimate relationship with God. **The Self-Explanatory Reference Bible. The Holy Bible ... with**
