Selected Discourses Shenoute Great Community:

Selected Discourses of Shenoute the Great, 2015-12-09 Shenoute the Great c 347-465 led one of the largest Christian monastic communities in late antique Egypt and was the greatest native writer of Coptic in history. For approximately eight decades Shenoute led a federation of three monasteries and emerged as a Christian leader. His public sermons attracted crowds of clergy monks and lay people; he advised military and government officials; he worked to ensure that his followers would be faithful to orthodox Christian teaching and he vigorously and violently opposed paganism and the oppressive treatment of the poor by the rich. This volume presents in translation a selection of his sermons and other orations. These works grant us access to the theology, rhetoric, moral teachings, spirituality, and social agenda of a powerful Christian leader during a period of great religious and social change in the later Roman Empire. **Euwen van duisternis** Catherine Nixey, 2017-10-09 Hoe het vroege christendom de klassieke cultuur tracht te vernietigen **Coptic Culture and Community** Mariam F. Ayad, 2024-01-16 A wide-ranging exploration of the daily lives of ordinary Coptic Christians from late Antiquity until today. This volume brings together leading experts from a range of disciplines to examine aspects of the daily lived experiences of Egypt's Coptic Christian minority from late Antiquity to the present. In doing so, it serves as a supplement and a corrective to institutional or theological narratives which are generally rooted in studying the wielders of historical power and control. Coptic Culture and Community reveals the humanity of the Coptic tradition, giving granular depth to how Copts have lived their lives through and because of their faith for two thousand years. The first three sections consider in turn the breadth of the daily life, approach perspectives on poverty and power in a variety of different contexts, and matters of identity and persecution. The final section reflects on the global Coptic diaspora, bringing themes studied for the early Coptic Church into dialog with Coptic experiences today. These broad categories help to link fundamental questions of socio-religious history with unique aspects of Coptic culture and its vibrant communities of individuals. Jacobs, 2021-11-02 Epiphanius, Bishop of Constantia on Cyprus from 367 to 403 CE, was incredibly influential in the last decades of the fourth century. Whereas his major surviving text, the *Panarion*, an encyclopedia of heresies, is studied for lost sources, Epiphanius himself is often dismissed as an anti-intellectual eccentric, a marginal figure of late antiquity. In this book

Andrew S Jacobs moves Epiphanius from the margin back toward the center and proposes we view major cultural themes of late antiquity in a new light altogether Through an examination of the key cultural concepts of celebrity conversion discipline scripture and salvation Jacobs shifts our understanding of late antiquity from a transformational period open to new ideas and peoples toward a Christian Empire that posited a troubling but ever present otherness at the center of its cultural production

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski, Thomas Sullivan, 2020 The Oxford Handbook of Christian Monasticism addresses for the first time in one volume multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism

The Sons of Constantine, AD 337-361 Nicholas Baker-Brian, Shaun Tougher, 2020-05-30 This edited collection focuses on the Roman empire during the period from AD 337 to 361 During this period the empire was ruled by three brothers Constantine II 337 340 Constans I 337 350 and Constantius II 337 361 These emperors tend to be cast into shadow by their famous father Constantine the first Christian Roman emperor 306 337 and their famous cousin Julian the last pagan Roman emperor 361 363 The traditional concentration on the historically renowned figures of Constantine and Julian is understandable but comes at a significant price the neglect of the period between the death of Constantine and the reign of Julian and of the rulers who governed the empire in this period The reigns of the sons of Constantine especially that of the longest lived Constantius II mark a moment of great historical significance As the heirs of Constantine they became the guardians of his legacy and they oversaw the nature of the world in which Julian was to grow up The thirteen contributors to this volume assess their influence on imperial administrative cultural and religious facets of the empire in the fourth century

Power, Agency, and Women in the Mission of God Susan L. Maros, Vince L. Bantu, Kirsteen Kim, 2024-05-10 This volume fulfills the need for an accessible academic book that addresses the gender

issues that women face as Christian disciples whether in formal leadership roles or engaging leadership in informal means and considers these issues in the context of world Christianity In an era in which mission is from everywhere to everywhere when local churches strive to be missional and when Christians are engaged in intercultural ministry this book invites a scholar practitioner conversation engaging multiple disciplines and perspectives to explore the role of women in the mission of God An interdisciplinary and intercultural conversation about women will enrich the church s ongoing effort to be faithful to God s call to women and men to participate in God s work in the world
