detailed examination of the practice available in English He clearly points out that self remembering is only one half of a foundational spiritual practice called self observation self remembering Where other authors teachers have gone wrong in the past is to take only one half of this practice and consider it the whole entire unto itself Mister Gurdjieff s student A R Orage 1873 1934 made this mistake with self observation contemporary teacher Robert Burton made a similar error with his book also titled Self Remembering While P D Ouspensky speaks of the practice of self remembering in his seminal book In Search of the Miraculous and Rodney Collin in The Theory of Celestial Influence there has not been a book length study on self remembering that examines the practice from the many angles that Red Hawk s does His chapters cover such diverse yet integrated topics as The Removal of Self Importance Kaya Sadhana or the wisdom of the body and Separation Grief i e addressing the terror of our current situation without denial or dramatics

MOTHER GURU Red Hawk,2014-08-20 Mother Guru is a collection of refined devotional poetry in the tradition of Hafiz and Rumi whose poems of love continue to inspire millions throughout the world The fact that this poetry appears in contemporary dress is more gracious still The author Red Hawk is a widely published and awardwinning poet professor of English at the University of Arkansas at Monticello He is also an unabashed disciple of a great contemporary Master Mister Lee Lozowick 1943 2010 and one who is willing to bare that discipleship in poetry written as prayer expressly for and with his guru in mind and heart In this sense Mother Guru is a daring book and courageous as the author overlooks scholarly reputation trusting rather in the love that infuses what he writes He also risks the opprobrium of those who limit the expression of the spiritual to sweet words and lofty sentiments These are poems of a truly broken heart pleading poems begging poems prayers and curses bawdy ironic hilarious tough minded sometimes angry often just broken Few books of poetry today attempt to traverse this razor s edge fewer still can do so with respect dignity and passion Mother Guru is a guidebook to such a challenge and offers inspiration and a call to profound honesty to the sincere seeker of any mystical tradition
