Sin, Shame & Secrets David Yonke, 2015-02-06 In this unique and compelling true crime story journalist and author David Yonke presents and analyzes the only case in U S history in which a Roman Catholic priest was arrested for the murder of a nun Father Gerald Robinson of Toledo whom friends and associates described as a timid and mild mannered man was arrested by cold case detectives in April 2004 and charged in the brutal slaying of Sister Margaret Ann Pahl 24 years earlier The 71 year old nun had been choked to the edge of death covered with an altar cloth and stabbed 31 times in the face neck and chest Her body was found in the sacristy of a Catholic hospital her habit pulled up to her chest and her undergarments around her ankles It was Holy Saturday morning 1980 the day before Easter and the day before the victim s 72nd birthday Cold case investigators said the first nine stab wounds made over the nun s heart were in the shape of an upside down cross one of many signs that Sister Margaret Ann was the victim of a ritual killing Sin Shame Secrets unveils

how cold case investigators decided to reopen the case in 2003 after a Toledo nun testified that Father Robinson abused her in satanic rituals when she was a child The nun s testimony before the Toledo Catholic Diocese s Review Board also alleged that a number of children had been killed by the cult A lengthy police investigation followed resulting in Robinson s arrest at age 66 on April 23 2004 After a three week trial covered gavel to gavel by Court TV now truTV the priest was convicted of murder on May 11 2006 and sentenced to 15 years to life in prison Yonke the award winning former Religion Editor and reporter at The Toledo Blade reviewed hundreds of police files interviewed dozens of principles and covered every minute of the trial to give readers a thorough and examined look at events as they unfolded as well as providing background information for the story and the people involved In Robinson s legal appeals the killer priest claimed that his trial attorneys failed to examine the possibility that another hospital chaplain one with a drinking problem a bad temper and a knife collection may have been the real murderer Robinson also alleged that Coral Eugene Watts a confessed serial killer who strangled and stabbed up to 80 women was living an hour north of Toledo in 1980 and may have been the perpetrator The story has been covered by news media around the world and featured on many nationally broadcast television programs Although Robinson s appeals were denied by the Ohio Supreme Court and the U S Supreme Court public debate and controversy continue to swirl in this timeless and shocking case Nancy Grace talk show host former prosecutor Carefully detailing her murder Yonke describes not only the search for a killer but the struggle for all of us including both the Toledo police and the Catholic Church to accept that evil exists everywhere around us even within the house of God Pulitzer Prize winning journalist Michael Sallah called it a murder case for the ages adding that Yonke deftly shows how an American Catholic diocese kept one of its own from being charged for more than a quarter century Father Thomas Doyle JCD CADC commented This is not just another murder mystery It is a true story that enrages mystifies and terrifies any reader with even a modicum of moral awareness Barbara Blaine founder of SNAP said Through painstaking research and gripping narrative David Yonke presents and analyzes a stunning case of physical emotional and sexual pain and the political corruption that kept a horrific crime unsolved for years Pulitzer Prize winner Mitch Weiss called it an explosive piece of investigative journalism

Exposing the Secrets of Sin Abozos Abiodun, 2019-11-30 It is quite alarming and

overwhelming the rate at which many even the so called Christians and non Christians of this generation are wallowing in sin in spite of one s decision to let go of sin In fact all effort of prayer fasting and abstinence to keep away from sin seems not to be working One thing however is that once one fails to understand the nature of sin the working power of sin in one s life it will be very difficult to break from it Hence Exposing the Secrets of Sin is a book that has been written in depth and inspired by the Holy Spirit to expose the secrets of sins and its effects on humans This is because sin has become a yoke sting cankerworm burden and spirit that if one fails to understand its nature activities and effects one might remain in sin forever This book is therefore God s gift to you in all matter relating to sin which has been eating deep into your soul Why not take

your time read digest and apply the words of this book to your life and see yourself overcoming the power and spirit of sin in your life Happy reading
