

Section II Critical Reading and Analysis The Two-Party System

A. As You Read

As you read Section II, fill in the blanks below explaining how each feature contributes to the stability of the two-party system in the United States.

1. Historical Roots: the two-party system is a product of early American political culture and the Constitution.
2. Tradition: the two-party system is a long-standing tradition in American politics, and is reinforced by the electoral college system.
3. Structural Factors: the electoral college system, the first-past-the-post voting system, and the structure of Congress all contribute to the two-party system.
4. Ideological Constraints: the two-party system is a result of the ideological constraints on the political spectrum, which are reinforced by the electoral college system.

B. Reinforcing Key Terms

Define the following terms:

1. Political parties: groups of people who share common interests and goals, and who work together to elect candidates to office.
2. Two-party system: a political system in which two major parties dominate the political landscape, and are the only parties that have a realistic chance of winning the presidency.
3. Single-member districts: electoral districts in which only one candidate can win, and the winner is the candidate who receives the most votes.
4. Plurality: the number of votes received by the candidate who wins the election, even if they do not receive a majority of the votes.
5. Plurality voting: a voting system in which the candidate with the most votes wins the election, even if they do not receive a majority of the votes.
6. Winner-take-all: a voting system in which the candidate who wins the election takes all the electoral college votes from that state.
7. Proportional representation: a voting system in which the number of seats a party wins is proportional to the number of votes it receives.
8. Single-party system: a political system in which only one party is allowed to compete for power, and that party wins the election.
