See Bob Run And Wild Abandon:

See Bob Run; &, Wild Abandon Daniel MacIvor, 2011-10-31 **See Bob Run** Daniel MacIvor, 2013 A revamped and updated second edition of two of Daniel MacIvor's classic one person shows *The Cambridge Companion to Canadian Literature* Eva-Marie Kröller, 2004-02-05 This book offers a comprehensive and engaging introduction to major writers, genres and topics in Canadian literature. Contributors pay attention to the social, political and economic developments that have informed literary events. Broad surveys of fiction, drama and poetry are complemented by chapters on Aboriginal writing, francophone writing, autobiography, literary criticism, writing by women and the emergence of urban writing in a country traditionally defined by its regions. Also discussed are genres that have a special place in Canadian literature such as nature writing, exploration and travel writing and short fiction *Theatricality and the Arts* Richard Rushton, Andrew Quick, 2024-04-30 *Theatricality and the Arts* presents a series of investigations of the notion of theatricality. Primarily, theatricality concerns that which pertains to theatre, but the term has always carried with it the potentially pejorative associations of exaggeration and fakery. The essays here question and contest such associations. The book is divided into four sections which together provide a comprehensive interrogation of theatricality. The four sections begin with multimedia where theatricality is examined in relation to mixed modes of media: internet art, painting, performance and digital display. A second section takes a philosophical approach to questions of theatricality. A third section looks at art broadly speaking but also at the historical contexts of art, photography and other media: literature, film, music. A final section features reflections on theatre and cinema, often in conjunction. Considered as a whole, the collection contributes to debates on theatricality in various fields while also enabling a cross-examination of approaches to the topic *Literary Intermediality* Maddalena Pennacchia Punzi, 2007 The increasing transfer of literary texts and of related writing/reading processes from the printed page to analog and digital media and vice versa is the phenomenon under investigation in this book for which the term literary intermediality has been coined. Literature is in transit, i.e. travelling incessantly through mass media, personal media and the internet with crucial effects both on the ways it is perceived by younger generations of users and on the ways it is devised by contemporary authors. The literary text far from being restricted to printed media keeps moving across the whole media circuit, thus acquiring at any stage a new temporary identity. Based on the seminar *Intermediality and Literary Practices* at the 7th ESSE Conference in 2004, the essays of this collection by scholars from both sides of the Atlantic focus on the seminar's common topics: cinema, theatre, postmodernism and new critical issues **1/2/3/4 For the Show** Lewis W. Heniford, 1995-10-24 Will help the user find classic or modern plays in a variety of genres that fit their requirements **Canadian Book Review Annual**, 1990 **Dictionary of Cape Breton English** William J. Davey, Richard MacKinnon, 2016-01-01 The first regional dictionary devoted to the island's linguistic and cultural history, the *Dictionary of Cape Breton English* is a fascinating record of the island's rich vocabulary **Canadian Books in Print. Author and Title**

Index, 1975 **Voices from Canada** Albert-Reiner Glaap, 2003 Voices from Canada introduces the reader to thirty Canadian plays in the form of overviews
