Seeing Christ In The Old Testament Part Isaiah To Malachi:

Seeing Christ in the Old Testament (part 1) Stephen Kaung, 2012-01-23 The word of God is living and operative Hebrews 4 12a It is living and not just letter because it gives life The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced For every scripture is divinely inspired God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work II Timothy 3 16 17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life John 5 39 40 It behooves us therefore to diligently read the Bible and meditate on it To encourage God s people to study God s word brother Stephen Kaung delivered a series of messages on the sixty six books of the Bible Commencing in 1983 each Lord s day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986 Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God s word The aim is to provide the saints with some basic understanding in their search of God s word These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle Seeing Christ in the Old Testament and consisting of two physical volumes Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle Seeing Christ in the New Testament May God use these volumes to increase our love for His word

physical volumes Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle Seeing Christ in the New Testament May God use these volumes to increase our love for His word The Mind of Christ and the Bible - How Jesus Used the Old Testament Barrett Wilson,2016-09-09 In these days of terrorists attacks and conflicting religions doubt and confusion are widespread throughout Christianity Many Christians are perplexed about the interpretation of the Bible Never before has there been a greater need for guidance in biblical interpretation as today How many Christians today could benefit from having guidelines for interpreting the Bible that originate with Christ Himself It goes without saying that every Christian could profit from having such a guideline What is biblical interpretation It is discovering what the original author meant but it is more The wise biblical interpreter can provide a sound perspective on difficult and obscure passages When the Bible is interpreted properly its meaning and relevance is made clearer The author has a Master s Degree in Divinity from Duke University and served in Methodist ministry He made a special study of Jesus uses of the Old Testament for forty five years and the results have been delivered in this book **Through the Bible** Zac Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s

Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word *An Introduction to the Bible* Robert Kugler,Patrick Hartin,2009-07-08 Many current Bible intro volumes focus more on theories about the biblical text than on the text itself They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand Their Introduction to the Bible surveys the content of all the biblical books section by section focusing on the Bible s theological themes **Searching the Scriptures** Charles R. Swindoll,2016-09-13 2017 ECPA Christian Book Award Finalist Christian Living category Are you getting the spiritual nourishment you need Optimal health requires optimal nutrition The same is true spiritually speaking Without sufficient and regular biblical nutrition our inner lives begin to suffer the consequences We become shallow and selfish more demanding and less gentle and quick to react impatiently rashly and angrily These are telltale signs of inner malnutrition In *Searching the Scriptures* respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives He outlines the principles of Bible study that will help you understand God s Word apply it and communicate it clearly to those around you Too many people try to go it alone without a guide for this life and the next Chuck explains how we can fix our own spiritual meals then invites us to feast on nourishing truths we can discover in God s Word **A New Witness for God: History of the Mormon Church and the Book of Mormon** B. H. Roberts,2020-12-17 A New Witness for God is a three volume treatise by B H Roberts one of the leaders in the Church of Jesus Christ of Latter day Saints who wrote this work as a recapitulation of 75 years of the existence of Mormonism and Mormon Church The author s purpose was to prove that the world was in need of a new God s witness and that Joseph Smith a great modern prophet was that witness Dividing the work in thesis he firstly proves that the world was in necessity of a New Witness then moves on to the state of the Christian church and how it was destroyed and there was an apostasy from the Christian religion third thesis deals with the Scriptures declaring that the Gospel will be restored to the Earth final thesis suggest that Joseph Smith is the New Witness for God who re established the Church of Jesus Christ on Earth Following these theses is the study of the Book of Mormon *The Harvest HandbookTM of Bible Prophecy* Ed Hindson,Mark Hitchcock,Tim LaHaye,2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest HandbookTM of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye this volume has
