Affinity Publisher for Basic Book Covers M.L. Humphrey,2022-02-01 Sometimes you just want to put together a basic book cover for a lead magnet or a short story related to your main series Or maybe like me you have the patience of a gnat and don t want to wait six months to have a cover designed by someone else when the book is ready to go NOW Or maybe money is tight and you re trying to see if that book you wrote has any potential without bankrupting yourself Or you re ready to put that book out in print but in your genre you know it s not going to sell all that many print copies Or in large print Whatever the reason you re looking to design your

own cover but you don't want to go through the trial and error of figuring out a design software on your own. Well, good news especially if you already read *Affinity Publisher for Ad Creatives*. This book is here to walk you through how to use Affinity Publisher to create three basic ebook covers: one with a central image, one with a side image, and one with an image that fills the entire cover. And then we'll walk through how to take that ebook cover and turn it into a paperback for Amazon KDP and IngramSpark as well as a hard cover for IngramSpark. When you finish this book, you will be able to create a book cover like the masters who charge hundreds or even thousands of dollars for their work. No, but you will be able to put together a nice serviceable cover that leverages stock photos. And sometimes that's all you need. So let's go. Take your self-publishing to the next level today. Please note that the print version of this book is in black and white, but the ebook version has color images available if your ereader is in color. You can learn the skills you need from either version, but there are certain images in the book that are better viewed in color.

Work Quilting Vikki Walton, 2017-05-25. Want true wealth? It starts with what brings you joy. When you think about work, what comes to mind? Drudgery at working just to pay the bills? Is your creativity stifled, or are your skills and talents going untapped? Maybe you really enjoy your work, but you feel others get ahead while you're passed over for promotions. Or are you tired of juggling your desire to advance your career and maintain a home and personal life that supports you in mind, body, and spirit? Maybe you simply don't know what you really want or how you'd go about it. *Work Quilting* will motivate and inspire you through simple tests and insights to achieve personal goals and success. Whether you seek to start a home-based business, publish your first book, or gain an additional income to prepare for unexpected life challenges or retirement, you will find the guidance to use your unique abilities to create the life you desire. In this inspirational and motivational guide, you find out how to discover what you really want in life, transform your dreams into achievable goals, determine which types of income streams are best for you, learn the difference between a product or service offering, make use of stacking functions to achieve more with less time and effort, are you putting off living your best life until later or when you retire? Now's the time to break free and enjoy the abundance of a fulfilling life. Want to know the kind of work you can do every day that makes you happy? Grab *Work Quilting* and discover what you really want. The World of Work is Changing. As you may have noticed, the world of work is changing. You also may have challenged the worn-out notion of the Single Lifetime Occupation, but are fuzzy about the options. Happily, Vikki Walton is here to help. In this useful guidebook, she offers the very tools you need to reconstruct a new career: a quilt made of a variety of things that suit you perfectly. Spend time with *Work Quilting*, and you'll have what you need to start a new adventure.
