Crosier,2004-06-02 Twenty three top advisors from leading firms show entrepreneurs how to transition their business The Entrepreneur s Transition provides an all in one handbook for entrepreneurs and corporate insiders seeking advice on their personal financial planning prior to selling or taking a business public It provides a concise easy to read blueprint that can help business leaders navigate before and after a transaction so they are well positioned and can avoid costly mistakes The Entrepreneur s Transition is organized chronologically beginning with the issues a business owner should be concerned with prior to a transaction It then moves step by step through the transaction process and into post transaction diversification reinvestment and philanthropy Louis Crosier Boston MA is a principal at Windward Investment Management and serves as a member of Windward s Investment Committee His responsibilities include managing client portfolios and overseeing the firm s investment consulting practice *The Upstart Guide to Buying, Valuing, and Selling Your Business* Scott Gabehart,1997 A comprehensive guide covering the top three critical issues every business owner faces this book ensures that all parties understand each other s needs thus clarifying a complex process and opening the door to successful negotiations The volume includes an extensive stand alone glossary of relevant terms and concepts as well as comprehensive lists of business opportunity sources contact lists and reference materials The disk contains all the forms from the book **The Art of Selling Your Business** John Warrillow,2021-01-12 Freedom It s the ability to do whatever you want whenever you want It s the ultimate reward of selling your business But selling a company can be confusing and one wrong step can easily cost you dearly The Art of Selling Your Business Winning Strategies Secret Hacks for Exiting on Top is the last in a trilogy of books by author John Warrillow on building value The first Built to Sell encouraged small business owners to begin thinking about their business as more than just a job The Automatic Customer tagged recurring revenue as the core element in a valuable company and provided a blueprint for transforming almost any business into one with an ongoing annuity stream Warrillow completes the set with The Art of Selling Your Business This essential guide to monetizing a business is based on interviews the author conducted on his podcast Built to Sell Radio with hundreds of successfully cashed out founders What s the secret

for harvesting the value you've created when it's time to sell. *The Art of Selling Your Business* answers important questions facing any founder including: What's your business worth? When's the best time to sell? How do you create a bidding war? How can you position your company to maximize its attractiveness? Who will pay the most for your business? What's the secret for punching above your weight in a negotiation to sell your company? *The Art of Selling Your Business* provides a sleeves-rolled-up action plan for selling your business at a premium by an author with consummate credibility. *Valuing and Selling Your Business* Tim McDaniel, 2014-11-20. In *Valuing and Selling Your Business: A Quick Guide to Cashing In*, author and valuation expert Tim McDaniel, a veteran of over 2,000 valuation engagements and dozens of M&A deals, covers the essentials in a short, value-packed book of valuing and selling your business for an acceptable price. And if the valuation doesn't suggest the price you have in mind is possible, McDaniel shows you how to increase the value before putting your company on the market. It probably won't surprise you that 60-80% of a business owner's wealth is tied up in the value of the business. This is your most important asset, but you probably only guess at its value, and you may have no concrete plan to increase that value. Even if you're not planning to sell in the near future, it's good to know what your business is worth so you can take the steps McDaniel outlines to make it more attractive to prospective buyers. This book covers: How valuations are done; Whom to engage as a valuator; How to increase the value of your business; Insider tips on the sales process; Best sales practices. *Valuing and Selling Your Business: A Quick Guide to Cashing In*, an abridgement of McDaniel's *Know and Grow the Value of Your Business*, helps you get the most for your business when you decide it's time to move on. *The Complete Guide to Selling Your Business* Paul Sperry, Beatrice Mitchell, 2005. In this comprehensive guide, two specialists take the reader step by step through the entire process from how to determine when the time is right to sell to negotiating the final terms. **The Quick Guide to Selling Your Business** Huzeifa Anjary, 2012-07-04. Have a business to sell? This book will be all you require to get the information you need from start to finish on how to sell your business. The book will show you how to: Maximise your selling price; how to follow up enquiries and provide valuable tools such as the best places to advertise. Being described as 'The most insightful book on selling a business to date', you will not be disappointed. The book is brief and gets to points quickly and draws on personal experience to give you the best picture on how to sell your business quickly, effectively and at the best price. Getting the Most for Selling Your Business Jessica Fialkovich, Anne Mary Ciminelli, 2022-03-15. Practical steps to sell your small business for the best price. There are many reasons entrepreneurs may want to sell their company. You could be looking for the next opportunity or you may need to sell for personal reasons. Perhaps you've worked long and hard and are ready to retire. Whatever your reason for selling, do you know how to go about it? If you own a 10 million business, it's often easy to go to an investment banker or a private equity firm. But for those owners who've spent their lives building a small business, this is like selling your child. Enter Jessica Fialkovich, who has been teaching entrepreneurs how to prep and sell their baby for over a decade. After founding, growing and selling her own multimillion-dollar baby, she decided to help other

entrepreneurs on the same path Today in addition to her advisory business she leads one of the most successful step by step courses on how to prep and sell companies In *Getting the Most for Selling Your Business* Fialkovich teams up with Anne Mary Ciminelli coauthor of *12 Lessons in Business Leadership* to expand upon that course laying out the fundamentals of when to sell how to find buyers mitigating risk and managing the financials This book is the perfect manual for business owners who are thinking about selling their baby but know they need guidance from experts
