An Argument Open to All Sanford Levinson, 2015-11-24 In *An Argument Open to All* renowned legal scholar Sanford Levinson takes a novel approach to what is perhaps America's most famous political tract. Rather than concern himself with the authors as historical figures or how *The Federalist* helps us understand the original intent of the framers of the Constitution, Levinson examines each essay for the political wisdom it can offer us today. In eighty-five short essays, each keyed to a different essay in *The Federalist*, he considers such questions as whether present generations can rethink their constitutional arrangements, how much effort we should exert to preserve America's traditional culture, and whether *The Federalist's* arguments even suggest the desirability of world government. *Relentless (Vampire Awakenings, Book 11)* Brenda K. Davies, 2020-06-24 Dante's relentless determination to bring home lost people and reunite families has driven him since the day his sister disappeared twenty years ago. After giving up on having a family, his life was consumed with finding those who are missing until he meets Cassidy. Cassidy wasn't expecting Dante to walk into the bar where she works, but now that he's entered her life, she's unwilling to let him go. Once she learns Julie, the newest teenager Dante is searching for, is mixed up with vampires, she's determined to help him find the girl. During their hunt for the missing girl, Cassidy and Dante's feelings for each other deepen, but can they survive the truth of Julie's disappearance or will rescuing her tear them apart? Due to sexual content, violence, and language, this book is recommended for readers 18 years of age. God's Book: An Honest Look at the Bible's 7 Toughest Topics: The No.1 Bestseller Andrew Ollerton, 2025-09-25 Does the Bible condone warfare and slavery? Isn't the New Testament's teaching on sex outdated? Surely there's not a literal heaven and hell. These are just some of the questions that popular Bible teacher Andrew Ollerton asks as he helps us navigate the most challenging topics in the Bible. *God's Book* follows the biblical plotline from Genesis to Revelation and reveals how to make sense of difficult passages by considering them in their original setting. When we understand the creation story in its ancient context, we won't need to choose between science or the Bible. When we appreciate that the conquest of Canaan was a unique moment in history, these passages won't justify violence today. The Bible's 7 toughest topics: Science versus Creation, Slavery and Old Testament laws, Warfare and violence, Suffering, Miracles and exorcisms, Sex, Heaven, hell, and judgement. Andrew concludes each chapter with a letter to a young adult giving practical advice on each topic. *God's Book* is for anyone who is spiritually curious and wants to make sense of the Bible, and for Christians who want to share their faith more confidently in today's culture.
