**Once in a Blue Moon** Steve Worthington, 2011-08-31 Once in a Blue Moon is the story of one man's never-ending affair with Manchester City. Be it playing, watching, or managing, Steve Worthy Worthington's life in football has never been easy. Having suffered an almost fatal road accident in the week before his ninth birthday, any aspirations for global stardom as a player were crushed beneath the wheels of a speeding Triumph Spitfire in 1971. As a spectator, he fared no better. Over the years, Manchester City and England addicts have experienced many disappointments, most of which he was there to see. As manager of his beloved Sunday League club, Lee Athletic, success was a word used only on the odd occasion when he persuaded his team to turn up sober and in time for kick-off. But two things that have always kept him going were his love of the local indie music scene and an ability to find humour during the darkest of times. Join him on a vivid journey that takes you into the beating heart of 1960s and 70s working-class Manchester through five decades of football and a bit of cricket, music, and people in the eyes and ears of an everyday bloke who turned constant failure into final triumph.
