One Family's Journey Canfor And The Transformation Of British Columbia's Forest Industry:

One Family's Journey Peter Bentley, 2011-12-20 Peter Bentley recounts the exciting journey shared with his esteemed father Leopold Poldi Bentley and his uncle in the building of a major forest products company Bentley has a unique perspective on the rise and fall and the subsequent reinvention of western Canada's forest industry in all its complexity He does not avoid controversy in his accounting of political shenanigans nor does he shy away from the challenge of staring down the deep well of environmental issues His views are those of a passionate citizen who like his father before him has given much of his life to the improvement of business and culture in British Columbia and Canada An unflinching leader and a respected philanthropist Bentley describes a colourful business career punctuated by small failures and enormous success These thoughts are his thanks to those who inspired him and an invaluable legacy to those who follow

One Family's Journey Peter Bentley, 2012 One of Canada's most accomplished business leaders reflects on his influential role in the industry that built British Columbia From a privileged early childhood in Vienna to an overnight escape from Hitler's grasp to the seven decades spent building Canadian Forest Products with his father and uncle Peter Bentley's life story is one of great challenges and unequivocal successes An unflinching leader and a respected philanthropist Bentley describes a colourful business career and shares his unique perspective on the rise and fall and the subsequent reinvention of Western Canada's forest industry in all its complexity Bentley does not avoid controversy in his accounting of political shenanigans in BC and across the nation Nor does he shy away from the challenge of staring down the deep well of environmental issues His views are those of a passionate citizen who like his father before him has given much of his life to the improvement of business and culture in British Columbia and Canada Bentley's thoughts and reflections are his legacy to those who follow

Transformation of Resource Towns and Peripheries Greg Halseth, 2016-07-01 Most developed economies including single industry and resource dependent rural or small town regions are transforming rapidly as a result of social political and economic change Collectively they face a number of challenges as well as new opportunities This international collaboration describes a critical political economy framework that will be useful for understanding these transitions Transformation of Resource Towns and Peripheries describes the multi faceted process of transition and change in resource dependent rural and small town regions since the end of the Second World War The book incorporates international case studies from Australia Canada Finland and New Zealand with the express purpose of highlighting similarities and differences in patterns and practices in each country Chapters explore three main themes how corporate ties and trade linkages are changing and impacting rural communities and regions how resource industry employment is changing in these small communities and how local community capacity and leadership are working to mitigate challenges and take advantage of new opportunities This book will be of interest to students of regional studies geography and rural and industrial sociology It will also have a strong appeal to policy makers and local regional development practitioners
