One Last Gasp Breathing New Life Into A Marriage That Appears Doa:

One Last Gasp Greg DeMarco, 2004-09 *One Last Gasp* is a book designed as the subtitle suggests to breathe new life into a marriage that appears dead on arrival. More specifically it is targeted at the Christian marriage which was once happy and fulfilling but has over time fallen into a seemingly hopeless situation. The goal of this book is to get couples to sit down and take inventory of their relationship, figure out what things have occurred, even small things that have caused the marriage to get to the breaking point and then to work toward correcting those things, healing those things and starting fresh with God at the helm.

The Dragon's Last Gasp Woude' Wood, 2013-03-28 Set during the post Vietnam war era, the main character survives an inner city environment plagued with alcoholism and poverty. He is a quiet, educated, street-wise recovering heroin addict who decides to move to stately Lakewood, Ohio. It is a small, reserved town mostly composed of white burgher types. It is integrated with blacks and some immigrants who are for the most part peaceable. Peace, though, had eluded the big city nearby in recent months. During this time, the city lies in the grip of a serial murderer's rampage against young women. *The Dragon's Last Gasp* opens up on Cleveland's streets. Woude Woods' first novel where you ride shotgun on a classy American suspense detective fiction. Woods' hero Paul Long drives a classic vintage Fleetwood as he canvasses Cleveland's inner city following the terrifying trail inside the killers' stomping grounds. He and a childhood friend are determined to find out what happened to someone named Marcie, one of the killers' victims. She is tied to his own history of psychological and emotional experimentation with drugs and addiction, a hard unforgiving bondage. Woods' narrative is as sleek as the automobile Paul drives. The story reaches a stirring emotional level as Long's own inner struggle and the demons from his past are revealed. He rubs elbows with street pharmacists, with local cops with the night and its constituents searching for clues and tracking leads in the ghetto, stalking a killer who seems uncannily familiar. In addition, Wood manages to touch a raw nerve with his startlingly clear portrayals of the people living in the street. Chasing the Dragon will affect the reader profoundly. Wood builds up suspense and grit. His pictures of the cityscapes create a sense of forboding, preparing a surprising, unexpected and explosive showdown. *The Dragon's Last Gasp* cycles through the classic icons of detective fiction with a deft touch. There is a fascinating blend of machismo coupled with deep thinking. The heart of its hero is hypnotic, yet his presence is fundamentally sound and assuring in the night. The book thus succeeds not only in coming to grips with the Dragon, it brings justice home as secrets are exposed in the finale. make it unmistakably clear that this is indeed the Dragon's last Gasp.

The Doa Who Made It! David Miles, 2013-08-16 It was a warm, sunny Tuesday afternoon. I was waiting at the red light at a busy interchange when another motorcycle pulled up next to me in the same lane, also now waiting to go home or to a friend's house or maybe shopping. The very next thing he did was watch me fly like a circus aerial act, bouncing off car roof tops and sailing all the way across the huge intersection. With no prior intention, I was on my way to meet my maker and face up to the life that I had been living until then, all initiated by a drunk in an old four-door sedan who had no plans on even slowing down.

Resuscitated over and over on the asphalt I was eventually rushed to the hospital where my wife was repeatedly told that I would not be alive much longer Not being a believer of that kind of talk she took peace in her heart that I would survive to be with her and our two little boys Now having been comatose for two weeks I awoke frightened and was told that I had little hope of much of a recovery I was then confronted with Jesus himself right there in that hospital room What He asked me over and over at that point clarified my beliefs and gave me the confidence to continue on I call that encounter a pure miracle and thank God that I was The DOA Who Made It
