One Out Of Three Immigrant New York In The Twenty First Century:

One Out of Three Nancy Foner, 2013-06-11 This absorbing anthology features in depth portraits of diverse ethnic populations revealing the surprising new realities of immigrant life in twenty first century New York City Contributors show how nearly fifty years of massive inflows have transformed New York City's economic and cultural life and how the city has changed the lives of immigrant newcomers Nancy Foner's introduction describes New York's role as a special gateway to America Subsequent essays focus on the Chinese Dominicans Jamaicans Koreans Liberians Mexicans and Jews from the former Soviet Union now present in the city and fueling its population growth They discuss both the large numbers of undocumented Mexicans living in legal limbo and the new flourishing community organizations offering them opportunities for advancement They recount the experiences of Liberians fleeing a war torn country and their creation of a vibrant neighborhood on Staten Island's North Shore Through engaging empathetic portraits contributors consider changing Korean owned businesses and Chinese Americans increased representation in New York City politics among other achievements and social and cultural challenges A concluding chapter follows the prospects of the U S born children of immigrants as they make their way in New York City

Dougla in the Twenty-First Century Sue Ann Barratt, Aleah N. Ranjitsingh, 2021-05-28 Identity is often fraught for multiracial Douglas people of both South Asian and African descent in the Caribbean In this groundbreaking volume Sue Ann Barratt and Aleah N Ranjitsingh explore the particular meanings of a Dougla identity and examine Dougla maneuverability both at home and in the diaspora The authors scrutinize the perception of Douglaness over time contemporary Dougla negotiations of social demands their expansion of ethnicity as an intersectional identity and the experiences of Douglas within the diaspora outside the Caribbean Through an examination of how Douglas experience their claim to multiracialism and how ethnic identity may be enforced or interrupted the authors firmly situate this analysis in ongoing debates about multiracial identity Based on interviews with over one hundred Douglas Barratt and Ranjitsingh explore the multiple subjectivities Douglas express confirm challenge negotiate and add to prevailing understandings Contemplating this Dougla in the Twenty First Century adds to the global discourse of multiethnic identity and how it impacts living both in the Caribbean where it is easily recognizable and in the diaspora where the Dougla remains a largely unacknowledged designation This book deliberately expands the conversation beyond the limits of biraciality and the Black white binary and contributes nuance to current interpretations of the lives of multiracial people by introducing Douglas as they carve out their lives in the Caribbean

interdisciplinary team of distinguished scholars from the social sciences explores the connections between migration and social policy. They test conflicting claims as to the positive and negative effects of different types of migration against the experience of countries in Europe, North America, Australasia, the Middle East, and South Asia, assessing arguments as to migration's impact on the financial, social, and political stability and sustainability of social programs. The volume reflects the authors' curiosity about the controversy over the connection between social and cultural diversity and popular support for the welfare state. Providing timely and original chapters which both critique the existing literature as well as build on and advance theoretical understanding, the authors focus on the formal settlement and integration policies created for migrants as well as corollary state policies affecting migrants and migration. A clutch of chapters investigates the linkage between migration and trade theory, foreign direct investment, globalization, public opinion, public education, and welfare programs. Chapters then deal with leading receiving states as well as India, and the authors examine the regulation of migration at the subnational, national, regional, and global levels. The topic of migration and security is also covered. This compelling and exhaustive review of existing scholarship and state-of-the-art original empirical analysis is essential reading for graduates and academics researching the field.

Latino Immigrant Youth and Interrupted Schooling Marguerite Lukes, 2015-02-17 This book offers an innovative look at the pre and post migration educational experiences of immigrant young adults with a particular focus on members of the Latino community. Combining quantitative data with original interviews, this book provides an engaging and nuanced look at a population that is both ubiquitous and overlooked, challenging existing assumptions about those categorized as dropouts and closely examining the historical contexts for educational interruption in the chosen subgroup. The combination of accessible prose and compelling new statistical data appeals to a wide audience, particularly academic professionals, education practitioners, and policy makers.

Natives and Strangers Leonard Dinnerstein, Roger L. Nichols, David M. Reimers, 2015 Who is an American? How does a person who is not an American become one? Now in its sixth edition, *Natives and Strangers: A History of Ethnic Americans* addresses these and many other vital questions. Comprehensive and accessible, this unique volume explores various aspects of American minority group history. Examining the impact that America has had on minority peoples and cultures and vice versa, authors Leonard Dinnerstein, Roger L. Nichols, and David M. Reimers provide insights into the different conditions, conflicts, and contradictions that members of American minority groups experienced. They integrate the experiences of various racial, religious, and national minorities from around the globe, including American Indians, African Americans, and immigrants from Europe, Asia, Latin America, and other parts of the world, explaining how their histories intertwined with the emergence of modern America. The authors conclude with reflections on where the nation stands today as an ethnically and racially diverse society.
