One Blinding Vision The Quest To See Jesus:

One Blinding Vision R. James Shupp, 2005 At this moment if someone listened to your beating heart whose heart would they hear Have you captured the heart of Jesus Christ Is it pounding for Him What about your mind Does it think like the Carpenter from Galilee And your eyes Are they focused on the risen returning King of Glory This book reflects my personal journey to answer these questions in my own life It s an honor and a privilege to share my discoveries with you Back cover

The Four Vision Quests of Jesus Steven Charleston, 2015-05 Christian theology as seen through the lens of Native American tradition A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition this book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels It examines each story as a vision quest a universal spiritual phenomenon but one of particular importance within North American indigenous communities Jesus experience in the wilderness is the first quest It speaks to a foundational Native American value the need to enter into the we rather than the I The Transfiguration is the second quest describing the Native theology of transcendent spirituality that impacts reality and shapes mission Gethsemane is the third quest It embodies the Native tradition of the holy men or women who find their freedom through discipline and concerns for justice compassion and human dignity Golgotha is the final quest It represents the Native sacrament of sacrifice e g the Sun Dance The chapter on Golgotha is a discussion of kinship balance and harmony all primary to Native tradition and integral to Christian thought *A Quest for the Historical Christ* Anthony Giambrone, 2022-02-18 A Quest for the Historical Christ brings together a collection of interrelated essays on the historical Jesus and primitive Christology Sensitive to the diverse but traditionally Protestant assumptions and perspectives of the Quest as well as to the widely lamented disconnect between New Testament exegesis and classical dogmatic theology an alternative approach is proposed in these pages Ecumenical and conciliar reference points along with non confessional historical methods e g archeology shape the basic project which nevertheless assumes some distinctive and important Catholic contours The book is divided into three sections Historical Foundations Theological Perspectives and Jesus and the Scriptures While the individual chapters represent independent probes the cumulative argument and arc of the study drives in clear and concerted directions After a first approach to the Gospel data attentive at once to historiographical and historical questions a series of interventions reorienting the present scholarly discussion are suggested These various foundational essays lead finally to a sustained meditation on the mind of Christ considered as a unique reader of the Scriptures a meditation having its proper reflex and reflection in the way Christians themselves as readers of the Gospels participate in the Lord s own encounter with the living Word Rethinking Our Story G. Douglas Hammack, 2014-01-13 If it ain t broke don t fix it But it s no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We ve tried trendy and tech savvy entrepreneurial and coffee house gritty They re not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian

church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it s time It s been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times Rethinking Our Story reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and contribute to the earth s well being or disappear into oblivion **Inventing Christic Jesuses, Volume 1** Charles A.

Wilson,2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980 2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom The Incarnate Christ Robert Von Schriltz,2023-11-25 This book an updated third edition offers a biblical and logical one nature theory of the incarnate Christ

o *On the Mystical Life* Saint Symeon (the New Theologian),1995 St Symeon the New Theologian was abbot of the monastery of St Mamas in Constantinople at the turn of the eleventh century He was also perhaps the most remarkable and certainly the most forceful advocate of the mystical experience of God in the history of the Byzantine Church Though they were on occasion suppressed by ecclesiastical authorities wary of his fierce enthusiasm as well as of his claims to charismatic authority St Symeon s writings survived in the Orthodox Church and continued to play a vital role in the several renewals of spiritual life and prayer which has sustained the Church in its often difficult history over the past millennium **Exalting**
