The SHRM Essential Guide to Talent Management Sharlyn Lauby, 2022-06-07 Finding and keeping great talent is a constant business challenge and HR's top priority. The SHRM Essential Guide to Talent Management is a practical desk reference for HR professionals seeking real world solutions to the full range of talent issues. Written by Sharlyn Lauby, this guide covers hundreds of topics organized around SHRM's eight core talent management components: Strategic and Workforce Planning, Talent Acquisition, Onboarding and Employee Engagement, Performance Management, Employee Value Proposition, Learning and Development, Succession Planning, Upskilling and Reskilling, Internal and External Transitions. Packed with insights, tools, and best practices, the book offers fast, effective help when you're facing hiring, coaching, or retention hurdles. A must-have resource for busy HR practitioners, it keeps you aligned with current trends while providing clear direction when it matters most.

Stakeholder Engagement Amy Baugh, 2015-02-13 Strong stakeholder engagement is perhaps the most critical factor for achieving successful program execution in our fast-paced world. Many program managers get stuck in the science of program management, spending vast amounts of effort on tasks, charts, and metrics. Program managers who emphasize activities around relationship building and stakeholder engagement are more successful.

The New Manager Steven Jacobs, 2016-08-01 The complete, easy-to-follow handbook for newly appointed leaders. How do you cope if you are new to your management position? How do you lead well? What principles must you apply? You need help, and you need it fast. This simple book will provide you with all the necessary leadership principles to enable you to face your own unique challenges in leading your team, advise you on how to get the best out of your staff as well as out of yourself, and equip you with the necessary skills to not only manage but to lead. In this book, written by an author with years of experience in management, you will find solutions to typical workplace challenges through practical examples of what other leaders have faced in similar situations. As you work through daily issues in 52 easily accessible steps, you will build leadership skills in a concrete and lasting way. At the end of each chapter, there are reflection questions to help you identify your current leadership approach. Whether you read it from beginning to end or dip into it as problems or queries arise, *The New Manager* will make your journey as a new leader exciting and allow you to prosper in every challenge.
