One Person Training Department Infoline Astd:

The Handbook of Training Technologies William J. Rothwell, Marilyn N. Butler, Daryl L. Hunt, Jessica Li, Cecilia Maldonado, Karen Peters, 2010-04-15 This important resource offers an understanding of the basic principles that underlie training methods and the use of technology training in the workplace The authors provide a primer for the four pervading and more advanced technologies used in business training the Internet computer based training knowledge management systems and decision support tools Appropriate for those who have little or no formal training in educational technology this book addresses such topics as the decision to use the pros and cons for using and presentation strategies for media as varied as the Internet teleconferencing videoconferencing satellite distance learning and electronic performance support systems Note CD ROM DVD and other supplementary materials are not included as part of eBook file The Practical Library Trainer Bruce E. Massis, 2004 Develop a library staff training program that really works To stay on top of the lightning fast changes in the library field and provide your patrons with the best service possible you need to establish and sustain an effective program for training your staff The Practical Library Trainer examines the concept of the library as a learning place for patrons and staff offering a comprehensive view of training from an administrator's perspective Bruce E Massis author of The Practical Library Manager Haworth addresses the essential issues of how to develop a strong program of continuous instruction including customer service reporting recruitment and retention of staff The book focuses on the integration of staff training as a blended activity instead of an intervention quelling the notion of training as an add on to existing staff duties The current information rich environment provides your patrons with an abundance of resources to choose from for their research needs But they can't do it alone they need direction from a knowledgeable librarian who can recognize the pedigree currency and validity of licensed resources particularly those available through electronic means The Practical Library Trainer uses the goal of long range customer service as a starting point emphasizing the return on investment possibilities from blended training methods as a key to meeting your patrons high expectations of service The book also provides examples from outside the library community to demonstrate the importance of training on a non library setting and looks at future training issues The Practical Library Trainer examines types of staff training formal informal employer provided qualifying skill improvement strategies for recruiting and retaining a staff blended learning e training in house training how to use professional conferences as continuing education opportunities how to evaluate your training program a sample of an anywhere anytime education and training program and much more The Practical Library Trainer is an important resource for making sure your patrons get the most from your library and your staff **ATD's Foundations of Talent Development** Elaine Biech, 2018-09-28 Your Talent Development Atlas If you've been directing your organization's talent development effort during the last few years you might think you're on a journey without a map There are few published resources to guide you in a challenge that many experts promise will only become more urgent and necessary in

the coming years Elaine Biech a legendary leader in training and development understands the road ahead and has partnered with ATD to present a new book that will point the way ATD's Foundations of Talent Development Launching Leveraging and Leading Your Organization's TD Effort Biech imbues this comprehensive volume with the energy and passion she has manifested in a career spanning more than three decades In her hands you have a trusted adviser who provides guidance leadership and direction to your organization Biech painstakingly guides you over 36 chapters taking you from developing your talent development strategy creating an operating plan and reinforcing your organization's talent development mindset through design and delivery measurement and evaluation and preparing for the future No matter where you are in your development you will be able to pick up this book and select chapters that describe how you can help your organization What's more Biech has included a new customized model to assist you Plus she's invited dozens of her friends and colleagues to contribute well known authors ATD subject matter experts and icons in the field to present a cross section of voices and approaches in the field In 2018 ATD celebrates its 75th anniversary by delivering ATD's Foundations of Talent Development its first published reference to the profession it leads and supports Think of this book as your professional atlas
