One Thing's Needful Alan Kornacki,2012-08-24 Pastor Justin Corwin of St Michael Lutheran Church in Carousel New York and his wife Detective Beth Corwin of the Carousel Police Department find themselves in the midst of tribulation Beth's body has betrayed her making an unwanted surgery a necessity Justin is dealing with uncertainty regarding his effectiveness as Pastor and as Chaplain of the Carousel Fire Department Both of them are finding that it's not as easy to live their God given vocations as they had hoped Will they require a change of scenery to again find the joy in the Lord which seems so hard to obtain **The Expositor's Bible** Alfred Plummer,2014-12-09 Example in this ebook CHAPTER I THE CATHOLIC

EPISTLES This volume is to treat of the General Epistle of St James and the General Epistle of St Jude According to the most common but not invariable arrangement they form the first and the last letters in the collection which for fifteen centuries has been known as the Catholic Epistles The epithet General which appears in the titles of these Epistles in the English versions is simply the equivalent of the epithet Catholic the one word being of Latin generalis the other of Greek origin In Latin however e g in the Vulgate these letters are not called Generales but Catholic The meaning of the term Catholic Epistles has been disputed and more than one explanation may be found in commentaries but the true signification is not really doubtful It certainly does not mean orthodox or canonical although from the sixth century and possibly earlier we find these Epistles sometimes called the Canonical Epistles Epistol Canonic an expression in which canonical is evidently meant to be an equivalent for catholic This use is said to occur first in the Prologus in Canonicas Epistolas of the Pseudo Jerome given by 2 Cassiodorus De Justit Divin Litt viii and the expression is used by Cassiodorus himself whose writings may be placed between A D 540 and 570 the period spent in his monastery at Viviers after he had retired from the conduct of public affairs The term catholic is used in the sense of orthodox before this date but not in connexion with these letters There seems to be no earlier evidence of the opinion certainly erroneous that this collection of seven Epistles was called Catholic in order to mark them as Apostolic and authoritative in distinction from other letters which were heterodox or at any rate of inferior authority Five out of the seven letters viz all but the First Epistle of St Peter and the First Epistle of St John belong to that class of New Testament books which from the time of Eusebius H E III xxv 4 have been spoken of as disputed i e as being up to the beginning of the fourth century not universally admitted to be canonical And it would have been almost a contradiction in terms if Eusebius had first called these Epistles catholic H E II xxiii 25 VI xiv 1 in the sense of being universally accepted

as authoritative and had then classed them among the disputed books Nor is it accurate to say that these letters are called catholic because they are addressed to both Jewish and Gentile Christians alike a statement which is not true of all of them and least of all of the Epistle which generally stands first in the series for the Epistle of St James takes no account of Gentile Christians Moreover there are Epistles of St Paul which are addressed to both Jews and Gentiles in the Churches to which he writes So that this explanation of the term makes it thoroughly unsuitable for the purpose for which it is used viz to mark off these seven Epistles from the Epistles of St Paul Nevertheless this interpretation is nearer to the truth than the former one

To be continue in this ebook **The Church of England systematic Bible teacher (by J. Green). Advanced ed. [consisting of the Prayer book appendix of the Systematic Bible teacher, and the Teacher's manual for the third grade of the Mimpres system of graduated simultaneous instruction]** John Green, 1885 **An Exposition of the Old and New Testaments** George Burder, Joseph Hughes, 1833 *The entire works of John Bunyan, ed. by H.
