*Ancient Antioch* Glanville Downey, 2015-12-08 This study incorporates findings of the 1932 1939 excavations Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Emulating Alexander** Glenn Barnett, 2017-07-19 This book gives an account of the Roman relationship with Persia and how it was shaped by the actions of Alexander the Great long before the events Numerous Roman emperors led armies eastward against the Persians seeking to emulate or exceed the glorious conquests of Alexander Some achieved successes but more often the result was ignominious defeat or death Even as the empire declined court propagandists and courtiers looked for flattering ways to compare their now throne bound emperors with Alexander All the while there was a small segment of the Roman intelligentsia who disparaged Alexander and his misdeeds While the Romans dreamed of conquering the Persian realm the Persians of the Parthian and Sasanian dynasties dreamed of regaining the lands of the eastern Mediterranean snatched from their Achaemenid ancestors by Alexander Echoes of this revanchist policy can be seen in Iran s support of Shiites in Iraq Syria Yemen and Lebanon Glenn Barnett draws comparisons between the era long struggle of Rome and Persia with the current wars in the Middle East where they once fought

**The Book of Pears** Joan Morgan, 2015 First published in the United Kingdom by Ebury Press in 2015 Title page verso

*The Cambridge Companion to the Literature of the Crusades* Anthony Bale, 2019-01-03 How were the Crusades and the crusaders narrated described and romanticised by the various communities that experienced or remembered them This Companion provides a critical overview of the diverse and multilingual literary output connected with crusading over the last millennium from the first writings which sought to understand and report on what was happening to contemporary medievalism in which crusading is a potent image of holy war and jihad The chapters show the enduring legacy of the crusaders imagery from the chansons de geste to Walter Scott from Charlemagne to Orlando Bloom Whilst the crusaders hold on Jerusalem was relatively short lived the desire for Jerusalem has had a long afterlife in many cultural contexts and media

History of Antioch Glanville Downey, 2015-12-08 The most complete account of the classical city of Antioch this study incorporates the findings of the excavations of 1932 1939 Dr Downey who participated in the excavations tells the story of the rise and fall of Antioch with nineteen excursions closely integrated with the text affording a rich store of data on travel books maps and information on the walls stadia churches etc of the city Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important

books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *The Writers Directory 2008* Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography      **Misfit Forms** Lorri G. Nandrea,2015-01-02 The complicated junctions negotiated by the novel during the eighteenth century reveal not only achievements but also exclusions Misfit Forms offers a speculative reconstruction of roads less traveled What if typographical emphasis and its associated transmission of sensuality and feeling had not lost out to transparent typography and its paradigms of sympathetic identification What was truncated when cumulative narrative structures were declared primitive in relation to the unified teleological plot What visions of the novel s value as an arena for experience were sidelined when novel reading was linked to epistemological gain Reading novels by Sterne Charlotte Bronte Defoe Gaskell Hardy and Woolf in tandem with less known works Nandrea illuminates the modes and techniques that did not become mainstream Following Deleuze Nandrea traces the dynamic repetitions of these junctures in the work of later writers Far from showing the eclipse of primitive modes such moments of convergence allow us to imagine other possibilities for the novel s trajectory      Forthcoming Books Rose Arny,1999-08      **History of Antioch** Glanville Downey,2019-03-25 The most complete account of the classical city of Antioch this study incorporates the findings of the excavations of 1932 1939 Dr Downey who participated in the excavations tells the story of the rise and fall of Antioch with nineteen excursuses closely integrated with the text affording a rich store of data on travel books maps and information on the walls stadia churches etc of the city Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **The Writers Directory** ,2004
