Online Book Buddha Meditations Art Letting Go:

Mastering the Core Teachings of the Buddha Daniel Ingram, 2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles Even so Ingram insists that enlightenment is an attainable goal once our fanciful notions of it are stripped away and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self absorbed mind noise Ingram sets out concisely the difference between concentration based and insight vipassana meditation he provides example practices and most importantly he presents detailed maps of the states of mind we are likely to encounter and the stages we must negotiate as we move through clearly defined cycles of insight Its easy to feel overawed at first by Ingram s assurance and ease in the higher levels of consciousness but consistently he writes as a down to earth and compassionate guide and to the practitioner willing to commit themselves this is a glittering gift of a book In this new edition of the bestselling book the author rearranges revises and expands upon the original material as well as adding new sections that bring further clarity to his ideas

The Mindful Path through Worry and Rumination

Sameet M. Kumar, 2010-01-02 People who worry and ruminate put excessive focus on the past and the future a tendency which left unchecked can lead to mental health problems such as depression and generalized anxiety disorder The Mindful Path Through Worry and Rumination offers proven strategies to help readers find contentment in the present moment

Buddha Meditations Lisa T.E. Sonne, 2014-07-01 In an easy to understand and succinct style this accessible guide presents gems of Buddhist wisdom that have helped people of various faiths find greater peace and happiness Now Buddha s teachings can help you discover your best path in life and let go of what s causing you to feel dissatisfied The first part of this book introduces six Buddhist principles and paths as well as familiarizes you with a variety of tools for letting go Learn how your own breathing can help you relax start a meditation practice and develop mindfulness a key aspect of meditation as well as a useful means for anyone to better interact with their daily life You ll also find clear information on meditational art exercises from floral arranging to Chinese brush stroke painting from making a rock garden to writing haiku poems The parables included at the end of this section are offered as prompts for self discovery The second part consists of a selection of Buddhist wisdom and advice collected by various people from The Dhammapada the ancient Buddhist masterpiece and from revered figures of the past evolved leaders in Buddhism today and Western contemporaries who practice Buddhism Let Buddha Meditations help you access the answers and happiness inside you

The Art of Quiet Influence Jocelyn

Davis, 2019-05-30 Anyone can be a quiet influencer But not everyone knows how A tremendous and relevant read Stephen M R Covey New York Times and 1 Wall Street Journal bestselling author of The Speed of Trust Drawing on the enduring wisdom of the Buddha Confucius Rumi Gandhi and others The Art of Quiet Influence shows anyone not just bosses how to use influence without authority a key mindfulness principle to get things done at work and in life Through the classic wisdom of 12 Eastern sages relevant insights from influence research and anecdotes and advice from 25 contemporary experts Davis

lays out a path for becoming a mainspring the unobtrusive yet powerful influencer first introduced in her book *The Greats on Leadership* Organized around three core influence practices Invite Participation Share Power and Aid Progress readers will learn how to take mindfulness practice out of the gym and onto the field while gaining the confidence and practical know how to be influential in whatever role they occupy

The Transformational Odyssey Robert Barner, 2017-07-01

The Transformational Odyssey was written to help those individuals who are facing difficult life transitions and who are attempting to successfully navigate tough life decisions and engage in deep self discovery Unlike other self help books that attempt to provide readers with homespun advice for addressing difficult life challenges The Transformational Odyssey shows readers how to take charge of their self growth and development It does this by providing readers with several applied techniques for engaging in deep self learning in a more profound and fundamentally life changing way The title The Transformational Odyssey reflects the book's integrative metaphor of transformational learning as a personal odyssey of self discovery The word odyssey connotes a long and sometimes arduous and meandering journey Although an odyssey may present the traveler with unexpected trials and challenges in the end it may yield increased wisdom and knowledge Building on this metaphor The Transformational Odyssey introduces readers to eight passages that they will inevitably encounter during their own personal odysseys of self discovery Each of these passages involves a uniquely different learning challenge that as it is successfully navigated increases the reader's capacity for self growth The Transformational Odyssey is written in a conversational style as if the author were sitting down next to the reader to share my forty plus years of experience as a personal coach and life transition counselor Since different people learn in different ways this book incorporates a variety of different learning methods including actual cases exercises suggested actions famous quotes and metaphors For those readers who would like to dig deeper on a given topic at the end of each chapter the author has included a separate section that introduces readers to related cutting edge research in the field of human psychology The topics included in these sections cover such areas as mindfulness meditation narratives and future selves

ENDORSEMENTS

The Road to self discovery is one that has been traveled before The Transformational Odyssey explores this journey in a unique and different way by beginning at the intersection of academic exploration and the examination of authentic experiences Robert Barner finds ways to challenge his readers while also guiding each person in a way that is most logical and emotionally transcendent to them And he does so in an insightful compelling way I highly recommend this book to anyone who is ready to be vulnerable and wants to grow
