Online Book My Own Diane Rehm:

On My Own Diane Rehm, 2016-02-02 In a deeply personal and moving book the beloved NPR radio host speaks out about the long drawn out death from Parkinson's of her husband of fifty four years and of her struggle to reconstruct her life without him With John gone Diane was indeed on her own coping with the inevitable practical issues and more important with the profoundly emotional ones What to do how to react reaching out again into the world struggling to create a new reality for herself while clinging to memories of the past Her focus is on her own roller coaster experiences but she has also solicited the moving stories of such recently widowed friends as Roger Mudd and Susan Stamberg which work to expose the reader to a remarkable range of reactions to the death of a spouse John's unnecessarily extended death he begged to be helped to die culminated in his taking matters into his own hands simply refusing to take water food and medication His heroic actions spurred Diane into becoming a kind of poster person for the right to die movement that is all too slowly taking shape in our country With the brave determination that has characterized her whole life she is finding a meaningful new way to contribute to the world Her book as practical as it is inspiring will be a help and a comfort to the recently bereaved and a beacon of hope about the possibilities that remain to us as we deal with our own approaching mortality **Death and**

Dying Timothy D Knepper, Lucy Bregman, Mary Gottschalk, 2019-09-02 The medicalization of death is a challenge for all the world's religious and cultural traditions Death's meaning has been reduced to a diagnosis a problem rather than a mystery for humans to ponder How have religious traditions responded What resources do they bring to a discussion of death's contemporary dilemmas This book offers a range of creative and contextual responses from a variety of religious and cultural traditions It features 14 essays from scholars of different religious and philosophical traditions who spoke as part of a recent lecture and dialogue series of Drake University's The Comparison Project The scholars represent ethnologists medical ethicists historians philosophers and theologians all facing up to questions of truth and value in the light of the urgent need to move past a strictly medicalized vision This volume serves as the second publication of The Comparison Project an innovative new approach to the philosophy of religion housed at Drake University The Comparison Project organizes a biennial series of scholar lectures practitioner dialogues and comparative panels about core cross cultural topics in the philosophy of religion The Comparison Project stands apart from traditional theistic approaches to the philosophy of religion in its commitment to religious inclusivity It is the future of the philosophy of religion in a diverse global world *Always On*

Naomi S. Baron, 2010-03-03 Baron reveals that online and mobile technologies including instant messaging cell phones multitasking Facebook blogs and wikis are profoundly influencing how we read and write speak and listen but not in the ways we might suppose She reveals that email IM and text messaging have had surprisingly little impact on student writing More troubling is the myriad ways in which we block incoming IMs and screen incoming calls Our ability to decide who to talk to she argues is likely to have a lasting influence on the way we communicate with one another Also what kind of people will

we become if the relationships we form must increasingly compete for our attention with digital media
