Seafood and Aquaculture Marketing Handbook Carole R. Engle, Kwamena K. Quagraine, Madan M. Dey, 2016-07-29
Aquaculture the farming of aquatic animals and plants and other seafood businesses continue to grow rapidly around the world. However many of these businesses fail due to the lack of sufficient attention to marketing. The Seafood and Aquaculture Marketing Handbook provides the reader with a comprehensive yet user friendly presentation of key concepts and tools necessary for aquaculture and seafood businesses to evaluate and adapt to changing market conditions. Markets for aquaculture and seafood products are diverse, dynamic and complex. The Seafood and Aquaculture Marketing Handbook presents fundamental principles of marketing, specific discussion of aquaculture and seafood market channels and supply chains from around the world and builds towards a step by step approach to strategic market planning for successful aquaculture and seafood businesses. This book is an essential reference for all aquaculture and seafood businesses as well as students of aquaculture. The volume contains a series of synopses of specific markets, an extensive annotated bibliography and webliography for additional sources of information. Written by authors with vast experience in international marketing of aquaculture and seafood products, this volume is a valuable source of guidance for those seeking to identify profitable markets for their aquaculture and seafood products. *Resources in education*, 1991

Economic Principles for the Hospitality Industry Ricardo C.S. Siu, 2019-06-27
Economic Principles for the Hospitality Industry is the ideal introduction to the fundamentals of economics in this dynamic and highly competitive sector. Applying economic theory to a range of diverse and global hospitality industry settings, this book gives the theory real world context. Looking at critical issues around sustainable economic development in the hospitality industry such as diversification, technology, determinants of demand and pricing, it enables students to effectively conduct business analyses, evaluate business performance and conduct effective improvements over time. Written in an engaging style, this book assumes no prior knowledge of economics and contains a range of features including international case studies and discussion questions to aid beginners in the subject. This will be an essential introductory yet comprehensive resource on economics for all hospitality students.
