Momo Traders:

Momo Traders Brady Dahl, 2019-06-21 Momo Traders met en scène dix top traders interviewés chacun son tour. Tous ont déniché des actions qui volent et se consolident sur ce momentum. Ils ont commencé là où vous vous trouvez et jouissent désormais d'un confort de vie exceptionnel. Certains sont même devenus richissimes. Ils n'ont pas besoin d'une longueur d'avance. Ils ne disposaient pas de millions pour démarrer et ils ne gèrent pas des fonds de milliards de dollars. Ils affrontent le marché jour après jour tout comme vous et remportent la mise. Coutez-les décrire dans leur propre langage leurs buts, leurs stratégies, leurs façons de faire face des séries perdantes, quelles sont les configurations les plus rentables, comment ils surmontent les blowups, quels sont les outils qu'ils utilisent, comment ils gèrent leurs entrées et sorties d'un trade, quelle est leur gestion du risque, comment ils assurent leur succès et bien davantage. Du faiseur de swings qui finançait son trading par des avances sur sa carte de crédit jusqu'au trader d'actions penny finançant les teneurs de marché en passant par le comptable qui alimentait ses comptes de trading avec l'argent que son employeur lui avait avancé pour subventionner son MBA, ces traders Momo ont tous trouvé la parade qu'il fallait pour maîtriser le marché. *High Probability Trading Setups for the Currency Market*, Momo Traders Brady Dahl, 2015-10-01 Momo Traders features extensive interviews with ten top day traders and swing traders who find stocks that move and capitalize on that momentum. They began where you are and now make a great living, some even becoming rich. They weren't given a leg up; they didn't start with millions and they don't manage billion-dollar hedge funds. They battle the market day in and day out just like you and win. Hear in their own words how they got started, what strategies they employ, how they deal with losing streaks, what setups are most profitable, how they overcome blowups, what tools they use, how they enter trades, how they exit trades, how they manage risk, how they maintain success, and much, much more. From the swing set builder trading with credit card advances to the penny stock trader outwitting market makers to the accountant funding trading accounts with cash his employer gave him to pay for his MBA, these Momo Traders have figured out what it takes to beat the market. Foreword by Brett Steenbarger, Trading Psychologist and Author of *The Daily Trading Coach*.
