Übersetzer Verlage Literaturpreise Fachverbände Literaturhäuser Zeitschriften Agenturen Festkalender Nekrolog geographische Übersicht **The Johannine Exegesis of God** Daniel Rathnakara Sadananda, 2014-12-02 Johannine Exegesis of God is a stimulating study of the explicit and implicit theological language of the Johannine community It exegetically explores crucial questions concerning the Fourth Evangelist's language used to characterize God It makes a sojourn into the relationship between Johannine Christology and Theology It examines the dialogue dynamics of a theological conversation between those who do not share the same theological affirmations and enumerates how the Johannine community derives benefit becomes enriched and learns inclusiveness through its dialogue conflict with its pluralistic environment In approaching and interpreting the Gospel narrative the implications of Theology in the Johannine community's struggle for legitimacy identity and existence become clear The Theology of the Johannine community shows a creative dialect with its sociological context and its experiential theologising makes its theological language authentic clear and precise Fables of the Law Daniela Carpi, Marett Leiboff, 2016-10-24 The latest development concerning the metaphorical use of the fairy tale is the legal perspective The law has had and has recourse to fairy tales in order to speak of the *nomos* and its subversion of the politically correct and of the various means that have been used to enforce the law Fairy tales are a fundamental tool to examine legal procedures and

structures in their many failings and errors Therefore we have privileged the term fables of the law just to stress the ethical perspective they are moral parables that often speak of justice miscarried and justice sought Law and jurists are creators of fables on the view that law is born out of the facts *ex facto ius oritur* so that there is a need for narrative coherence both on the level of the case and the level of legislation or turned the other way around what does it mean if no such coherence is found This is especially of interest given the influx of all kinds of new technologies that are fabulous in themselves and hard to incorporate in traditional doctrinal schemes and thus in the construction of a new reality

Ontological and Historical Dimensions of Salvation According to Joseph Ratzinger Isabel C. Troconis, 2025-07-24 For Joseph Ratzinger the separation between ontology and history constitutes the crucial problem that underlies all the difficulties of contemporary dogmatic theology since it affected the original unity of two essential dimensions of Christian revelation This study delves into Joseph Ratzinger's approach to the problem his account of the path that led to this separation and into some key insights drawn from his understanding of human salvation that could contribute to overcoming this dichotomy that afflicts contemporary theology Through the study of Joseph Ratzinger's writings Troconis highlights the relational and existential character of the theology of one of the best known and most influential Catholic thinkers of our time

God's Enduring Love in the Book of Hosea Joy Philip Kakkanattu, 2006 Joy Philip Kakkanattu provides an exegetical and theological analysis of an important and difficult text of the Old Testament through a synchronic and diachronic reading Detailed critical notes which discuss the textual difficulties accompany the translation of the text from Hebrew In the detailed exegesis special attention is given to study of the key terms theologically significant in Hos 11 1 11 against the context of the whole book The exegesis shows that in Hos 11 8 9 it is not the repentance of Yahweh that causes the withholding of His anger against Israel but Yahweh's constancy in His election of Israel as His son More than a change of heart the decision not to execute the deserved judgement witnesses Yahweh's divine nature Special attention is dedicated to the parent metaphor employed in Hos 11 1 11 It is concluded that more than expressing the Yahweh Israel relationship as a father son relationship the text speaks of it in terms of parent child relationship In the diachronic analysis the author deals with the origin and formation of Hos 11 1 11
