Reweaving Our Human Fabric Working Together To Create A Nonviolent Future:

Reweaving Our Human Fabric Miki Kashtan,2015-02-13 Imagine A future world in which we all value people and life and participate in a flow of generosity A world where sharing our gifts and the mundane tasks of life are both done with wholehearted willingness free of coercion A world where attending to everyone s needs is the organizing principle Miki Kashtan weaves together vivid social science fiction stories that bring that world to life with compelling nonfiction about how to get there She invites us to dream the future on a global scale and to bring this future into being by living and working for change as if that world already exists In particular her novel approach to dilemmas of leadership challenges us to align our use of power with our deepest longings and values Miki Kashtan PhD is an internationally known teacher and practitioner of Nonviolent Communication She lives in Oakland California [The Heart of Nonviolent Communication](#) Kristin K.

Collier,Stephanie Bachmann Mattei,2023-04-01 Do you want to learn how to express yourself honestly and compassionately How to live in choice rather than submit or rebel These are two of the key distinctions that Marshall B Rosenberg the creator of Nonviolent Communication developed and taught as ways to reveal the consciousness behind his visionary practice This book invites you into a systematic exploration of these key distinctions Each chapter provides real life examples from around the world alongside contributions from brain science research and awareness of power dynamics and systemic conditioning Key by key chapter by chapter you ll collect understandings and practices that will help you see every action and relationship anew Nonviolent Communication is often introduced as a model with four components observation feeling need and request This is just the beginning At its heart lies a reverence for life based on awareness of interdependence wholeness and power with With this consciousness Nonviolent Communication reaches beyond interpersonal conversations into the realms of spirituality social change and life serving community Use this book as your key to moving toward the spirit of true connection

Words That Work in Business, 2nd Edition Ike Lasater,2019-04-01 Addressing the most common workplace relationship challenges this manual shows how to use the principles of nonviolent communication to improve any workplace atmosphere Offering practical tools that match recognizable work scenarios this guide can help all employees positively affect their work relationships and company culture regardless of their position This handbook displays proven communication skills for effectively handling difficult conversations reducing workplace conflict and stress improving individual and team productivity having more effective meetings and giving and receiving meaningful feedback thereby creating a more enjoyable work environment

Heart at the Center Mike Tinoco,2024-07-26 In Heart at the Center An Educator s Guide to Sustaining Love Hope and Community Through Nonviolence Pedagogy high school teacher Mike Tinoco examines what it means to reimagine classrooms and schools as spaces that humanize resist violence and injustice and center love Offering both a framework and a set of practices that are grounded in different nonviolence traditions Heart at the Center asks readers to consider what a pedagogy of nonviolence looks like sounds like and feels like in the classroom

Written with warmth expertise and humility Mike Tinoco invites us into his classroom drawing on stories from his own life and powerful examples from civil rights movement leaders to explore questions such as How do we create classrooms and schools that are grounded in needs and match our vision for the kind of world we dream of How can we challenge conventional classroom management practices welcome conflict and nurture relationships with and amongst our students to foster positive peace How can we embed love in our curriculum and be inclusive of our students lives centering community healing and justice How can we slow down and take care of ourselves without compromising the urgency to fight for justice When can voluntary suffering meet our needs and empower us How can educators navigate conflict build community with one another and create their own professional development opportunities that support collective care Heart at the Center is a book for educators who believe that a different kind of classroom a different kind of school and a different kind of world are possible

Healing Resistance Kazu Haga, 2020-01-14 An expert in the field offers a mindfulness based approach to nonviolent action demonstrating how nonviolence is a powerful tool for personal and social transformation Nonviolence was once considered the highest form of activism and radical change And yet its basic truth its restorative power has been forgotten In Healing Resistance leading trainer Kazu Haga blazingly reclaims the energy and assertiveness of nonviolent practice and shows that a principled approach to nonviolence is the way to transform not only unjust systems but broken relationships With over 20 years of experience practicing and teaching Kingian Nonviolence Haga offers us a practical approach to societal conflict first begun by Dr Martin Luther King Jr during the Civil Rights Movement which has been developed into a fully workable step by step training and deeply transformative philosophy as utilized by the Women s March and Black Lives Matter movements Kingian Nonviolence takes on the timely issues of endless protest and activist burnout and presents tried and tested strategies for staying resilient creating equity and restoring peace An accessible and thorough introduction to the principles of nonviolence Healing Resistance is an indispensable resource for activists and change agents restorative justice practitioners faith leaders and anyone engaged in social process

Anarchism Carissa Honeywell, 2021-01-28 Is it possible to abolish coercion and hierarchy and build a stateless egalitarian social order based on non domination There is one political tradition that answers these questions with a resounding yes anarchism In this book Carissa Honeywell offers an accessible introduction to major anarchist thinkers and principles from Proudhon to Goldman non domination to prefiguration She helps students understand the nature of anarchism by examining how its core ideas shape important contemporary social movements thereby demonstrating how anarchist principles are relevant to modern political dilemmas connected to issues of conflict justice and care She argues that anarchism can play a central role in tackling our major global problems by helping us rethink the essentially militarist nature of our dominant ideas about human relationships and security Dynamic urgent and engaging this new introduction to anarchist thought will be of great interest to both students as well as thinkers and activists working to find solutions to the multiple crises of capitalist modernity

Free, Fair, and Alive David Bollier, Silke Helfrich, 2019-09-03 The power of the commons as a free fair system of provisioning and governance beyond capitalism socialism and other isms From co housing and agroecology to fisheries and open source everything people around the world are increasingly turning to commoning to emancipate themselves from a predatory market state system Free Fair and Alive presents a foundational re thinking of the commons the self organized social system that humans have used for millennia to meet their needs It offers a compelling vision of a future beyond the dead end binary of capitalism versus socialism that has almost brought the world to its knees Written by two leading commons activists of our time this guide is a penetrating cultural critique table pounding political treatise and practical playbook Highly readable and full of colorful stories coverage includes Internal dynamics of commoning How the commons worldview opens up new possibilities for change Role of language in reorienting our perceptions and political strategies Seeing the potential of commoning everywhere Free Fair and Alive provides a fresh non academic synthesis of contemporary commons written for a popular activist minded audience It presents a compelling narrative that we can be free and creative people govern ourselves through fair and accountable institutions and experience the aliveness of authentic human presence

The Earth Keeper's Handbook Loren Swift, 2019-11-06 In The Earth Keeper s Handbook you ll find stories inspiration and experiential exercises to help you do the inner work to come in to true connection with yourself and your heart so that you can then do the outer work that this planet so sorely needs It will show you how you can begin to more fully trust your place in the cosmos so that you can step in to greater connection and collaboration with other human beings with focus and purpose This is truly a handbook you ll come back to again and again along your journey whether to deepen your own spiritual practice to navigate the inevitable tension and conflict that will arise in collaboration with others or to ground back in to unity with the earth You ll enjoy how Loren weaves the personal the spiritual and the intellectual perspectives that she has gleaned from a lifetime of exploring connection to self others the earth and the divine

People Power Strategies to Curtail Corporate Power Dalilah A. Shemia-Goeke, 2025-10-09 How can corporate power be effectively challenged when states struggle to regulate corporations and companies wield stronger incentives and threats than citizens can exert on governments Historically industrial actions and labor movements have been the most effective forces against corporate dominance but are they the only ones What roles can other stakeholders beyond trade unions play This book argues that curbing corporate power preventing its abuses and strengthening democracy require strategic people power By collectively withdrawing cooperation and consent civil society can disrupt and erode the pillars that sustain corporate influence Drawing on nonviolent action theory and social movement research this book expands the conversation on corporate social responsibility and corporate accountability It explores how the strategic logic behind the civil rights movement democracy campaigns and anti colonial struggles can guide modern efforts to hold multinational corporations accountable This work is essential reading for scholars in corporate social responsibility labor studies sustainability organizational studies and

collective action It also offers valuable insights for activists practitioners of nonviolent resistance and anyone committed to corporate accountability and social justice
