Rhymes With Idea:

A rhyming dictionary John Walker, 1806 50 Fantastic Ideas for Songs and Rhymes Helen Battelley, 2021-04-01

The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. There's no better way to get children moving, laughing and learning than with songs and dance, but sometimes it can feel like you've exhausted your rhyme repertoire or simply run out of musical steam. 50 Fantastic Ideas for Songs and Rhymes offers a mixture of traditional favourites, fresh alternatives to well-known rhymes, action songs, original rhythms and funny verse that will have everyone giggling. All activities include suggestions for actions and dances and tips for incorporating songs and rhymes into other areas of children's learning. Adults will feel confident singing and moving to music with children, whether one to one or in groups, and children will love the repetition, rhymes and rhythmic movements of these activities. Drawing on developmental research to compile the very best musical activities, this book will boost practitioners' confidence and improve children's cognitive abilities and movement skills.
