Richard II Oxford School Shakespeare Series:

Richard II: The Oxford Shakespeare William Shakespeare, 2011-08-25 The Oxford Shakespeare General Editor Stanley Wells The Oxford Shakespeare offer authoritative texts from leading scholars in editions designed to interpret and illuminate the plays for modern readers a new modern spelling text collated and edited from the early texts wide ranging introduction discusses the play's historical contexts political significance characters sources and language detailed stage history designed to meet the needs of students and theatre professionals on page commentary and notes explain meaning allusions staging and much else illustrated with production photographs historical portraits textual facsimiles and map full index to introduction and commentary durable sewn binding for lasting use not simply a better text but a new conception of Shakespeare Times Literary Supplement ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Richard II** William Shakespeare, 1998 New Shakespeare long since out of print is now reissued Each work contains a lengthy and lively introduction main text and substantial notes and glossary **This England, That Shakespeare** Margaret Tudeau-Clayton, 2016-02-17 Is Shakespeare English British neither or both Addressing from various angles the relation of the figure of the national poet dramatist to constructions of England and Englishness this collection of essays probes the complex issues raised by this question first through explorations of his plays principally though not exclusively the histories Part One then through discussion of a range of subsequent appropriations and reorientations of Shakespeare and his England Part Two If Shakespeare has been taken to stand for Britain as well as England as if the two were interchangeable this double identity has come under increasing strain with the break up or shake up of Britain through devolution and the end of Empire Essays in Part One examine how the fissure between English and British identities is probed in Shakespeare's own work which straddles a vital juncture when an England newly independent from Rome was negotiating its place as part of an emerging British state and empire Essays in Part Two then explore the vexed relations of Shakespeare to constructions of authorial identity as well as national class gender and ethnic identities At this crucial historical moment between the restless interrogations of the tercentenary celebrations of the Union of Scotland and England in 2007 and the quatercentenary celebrations of the death of the bard in 2016 amid an increasing clamour for a separate English parliament when the end of Britain is being foretold and when flags and feelings are running high this collection has a topicality that makes it of interest not only to students and scholars of Shakespeare studies and Renaissance literature but to readers inside and outside the academy interested in the drama of national identities in a time of transition *Shakespeare's Stage Traffic* Janet Clare, 2014-01-09 Contesting the notion of Shakespeare as originator Clare demonstrates how Shakespeare adapted imitated

and borrowed from the work of others *The Educational Times, and Journal of the College of Preceptors* ,1893

Shakespeare's Apprenticeship Ramon Jiménez,2018-09-14 The contents of the Shakespeare canon have come into question in recent years as scholars add plays or declare others only partially his work Now new literary and historical evidence demonstrates that five heretofore anonymous plays published or performed during his lifetime are actually his first versions of later canonical works Three histories The Famous Victories of Henry the Fifth The True Tragedy of Richard the Third and The Troublesome Reign of John a comedy The Taming of a Shrew and a romance King Leir are products of Shakespeare s juvenile years Later in his career he transformed them into the plays that bear nearly identical titles Each is strikingly similar to its canonical counterpart in terms of structure plot and cast though the texts were entirely rewritten Virtually all scholars critics and editors of Shakespeare have overlooked or disputed the idea that he had anything to do with them This addition of five plays to the Shakespeare canon introduces a new facet to the authorship debate and supplies further evidence that the real Shakespeare was Edward de Vere seventeenth Earl of Oxford The Journal of Education ,1893 The Anatomy of Insults in Shakespeare's World Nathalie Vienne-Guerrin,2022-05-19 The Anatomy of Insults in Shakespeare s World explores Shakespeare s complex art of insults and shows how the playwright set abusive words at the heart of many of his plays It provides valuable insights on a key aspect of Shakespeare s work that has been little explored to date Focusing on the most memorable scenes of insult abusive characters and insulting effects in the plays the volume shifts how readers understand and read Shakespeare s insults Chapters analyze the spectacular rhetoric of insult in Henry IV Troilus and Cressida and Timon of Athens the skirmishes of wit in Much Ado about Nothing and A Midsummer Night s Dream insult and duelling codes in Romeo and Juliet As You Like It and Twelfth Night the complex relationships between slander and insult in Much Ado about Nothing and Measure for Measure the taming of the tongue in Richard III and The Taming of the Shrew the trauma of insults in Othello The Merchant of Venice and Cymbeline and insult beyond words in Henry V and King Lear Grasping insult as a specific speech act the volume explores the issues of verbal violence and verbal shields and the importance of reception and interpretation in matters of insult It offers a panorama of the Elizabethan politics of insult and redefines Shakespeare s drama as a theatre of insults **Education Outlook** ,1892 **The Palgrave Handbook of Shakespeare's Queens** Kavita Mudan Finn,Valerie Schutte,2018-07-20 Of Shakespeare s thirty seven plays fifteen include queens This collection gives these characters their due as powerful early modern women and agents of change bringing together new perspectives from scholars of literature history theater and the fine arts Essays span Shakespeare s career and cover a range of famous and lesser known queens from the furious Margaret of Anjou in the Henry VI plays to the quietly powerful Hermione in The Winter s Tale from vengeful Tamora in Titus Andronicus to Lady Macbeth Early chapters situate readers in the critical concerns underpinning any discussion of Shakespeare and queenship the ambiguous figure of Elizabeth I and the knotty issue of gender presentation The focus then moves to analysis of issues such as motherhood

intertextuality and contemporary political contexts close readings of individual plays and investigations of rhetoric and theatricality Featuring twenty five chapters with a rich variety of themes and methodologies this handbook is an invaluable reference for students and scholars and a unique addition to the fields of Shakespeare and queenship studies Winner of the 2020 Royal Studies Journal book prize

Richard Ii Oxford School Shakespeare Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Richard Ii Oxford School Shakespeare Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Richard Ii Oxford School Shakespeare Series has opened up a world of possibilities. Downloading Richard Ii Oxford School Shakespeare Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Richard Ii Oxford School Shakespeare Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Richard Ii Oxford School Shakespeare Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Richard Ii Oxford School Shakespeare Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Richard Ii Oxford School Shakespeare Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Richard Ii Oxford School Shakespeare Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
