QUEER VISIBILITIES

SPACE, IDENTITY AND
INTERACTION IN CAPE TOWN

Andrew Tucker

WILEY-BLACKWELL

Queer Visibilities Queer Visibilities

Kevin G. Barnhurst

Queer Visibilities Queer Visibilities:

Queer Visibilities Andrew Tucker, 2011-07-22 Combining current theory and original fieldwork *Queer Visibilities* explores the gap between liberal South African law and the reality for groups of queer men living in Cape Town Explores the interface between queer sexuality race and urban space to show links between groups of queer men Focuses on three main population groups in Cape Town white coloured and black Africans Discusses how HIV remains a key issue for queer men in South Africa Utilizes new research data the first comprehensive cross community study of queer identities in South Africa

LGBTQ Visibility, Media and Sexuality in Ireland Páraic Kerrigan, 2020-12-29 This book traces the turbulent history of queer visibility in the Irish media to explore the processes by which a regionally based media system shaped queer identities within a highly conservative and religious population The book details the emergence of an LGBTQ rights movement in Ireland and charts how this burgeoning movement utilised the media for the liberatory potential of advancing LGBTQ rights However mainstream media institutions also exploited queer identities for economic purposes which coupled with the eruption of the AIDS pandemic in the 1980s disrupted the mainstreaming goals of queer visibility Drawing on industrial societal and production culture determinants the author identifies the shifting contours of queer visibility in the Irish media uncovering the longstanding relationship between LGBTQ organising and the Irish media This book is suitable for students and scholars in gender studies media studies cultural studies and LGBTQ studies Queer Representation, Visibility, and

Race in American Film and Television Melanie Kohnen, 2015-11-06 This book traces the uneven history of queer media visibility through crucial turning points including the Hollywood Production Code era the AIDS crisis of the 1980s the so called explosion of gay visibility on television during the 1990s and the re imagination of queer representations on TV after the events of 9 11 Kohnen intervenes in previous academic and popular accounts that paint the increase in queer visibility over the past four decades as a largely progressive development She examines how and why a limited and limiting concept of queer visibility structured around white gay and lesbian characters in committed relationships has become the embodiment of progressive LGBT media representations She also investigates queer visibility across film TV and print media and highlights previously unexplored connections such as the lingering traces of classical Hollywood cinema s queer tropes in the X Men franchise Across all chapters narratives and arguments emerge that demonstrate how queer visibility shapes and reflects not only media representations but the real and imagined geographies histories and people of the American nation

Visibility Interrupted Carly Thomsen, 2021-07-27 A questioning of the belief in the power of LGBTQ visibility through the lives of queer women in the rural Midwest Today most LGBTQ rights supporters take for granted the virtue of being out loud and proud Most also assume that it would be terrible to be LGBTQ in a rural place By considering moments in which queerness and rurality come into contact *Visibility Interrupted* argues that both positions are wrong In the first monograph on LGBTQ women in the rural Midwest Carly Thomsen deconstructs the image of the rural as a flat homogenous and

anachronistic place where LGBTQ people necessarily suffer And she suggests that visibility is not liberation and will not lead to liberation Far from being an unambiguous good argues Thomsen visibility politics can in fact preclude collective action They also advance metronormativity postraciality and capitalism To make these interventions Thomsen develops the theory of unbecoming interrogating the relationship between that which we celebrate and that which we find disdainful the past the rural politics is crucial for developing alternative subjectivities and politics Unbecoming precedes becoming Drawing from critical race studies disability studies and queer Marxism in addition to feminist and queer studies the insights of this book will be useful to scholars theorizing issues far beyond sexuality and place and to social justice activists who want to move beyond visibility

Queer Visibilities Andrew Tucker, 2009-01-12 Combining current theory and original fieldwork Queer Visibilities explores the gap between liberal South African law and the reality for groups of queer men living in Cape Town Explores the interface between queer sexuality race and urban space to show links between groups of queer men Focuses on three main population groups in Cape Town white coloured and black Africans Discusses how HIV remains a key issue for queer men in South Africa Utilizes new research data the first comprehensive cross community study of queer identities in South Africa

Relating to Queer Theory Sarah Cooper, 2000 Can queer theory be written by theorists of any sexual identity Does the act of reading queer theory form queer readers who do not necessarily claim lesbian gay or queer identity In Relating to Queer Theory the author explores the intimate link between sexual identity and theoretical stance in the energizing work of leading contemporary queer theorists Drawing on a wide range of poststructuralist theory this study theorizes previously unarticulated ethical relations between queer theory and readers of different sexual identities Arguing that queer reading takes place in a transformative space that is open to readers of any sexual identity this book interweaves theory and practice of queer reading by staging a series of encounters between queer theory and the different but related field of French feminism Texts by Irigaray Kristeva Wittig and Cixous are placed alongside those of their queer theoretical commentators in order to re view current relations between feminism and queer theory This study reflects critically on intersecting and divergent positions in feminist theory and queer theory using each theoretical area to reread the other on issues of sexuality sexual difference and gender in relation to reading and writing

The Inscrutable Imagination and the Politics of Visibility in the Art of David Wojnarowicz Mary Keiran Murphy, 1994

Media Q Kevin G. Barnhurst, 2007 Media Queered is a groundbreaking assessment of minorities and the media Authorities including Larry Gross Edward Alwood Lisa Henderson and Marguerite Moritz join several new scholars to examine four aspects of visibility history expertise popularity and technology To supplement this research media practitioners including journalists working in the gay and mainstream press contribute a unique series of interludes The first is by Studs Terkel who interviewed founders of the U S homophile movement Written for scholars students and instructors of media and gender studies Media Queered is also accessible for general readers intrigued by the recent flowering of queer characters themes and images in popular

culture Staging the Social and Cruising the Crisis Darren Patrick Blaney, 2009 *Televising Queer Women* Rebecca Beirne, 2008 The first academic anthology to critically and explicitly address the representation of lesbian and bisexual women on a range of television series This timely collection provides high quality interdisciplinary essays which address lesbian and bisexual representation in popular television shows such as The Ellen DeGeneres Show Buffy the Vampire Slayer E R Queer as Folk Sex and the City The L Word and The O C from publisher description
