Schram,2023-03-15 The Documentary Hypothesis posits that there are four major sources of the Torah J E P and D canonized in about 400 BCE The historic and archeological evidence supports the fact that many very similar Torah stories and laws predated it by many centuries With the number of punishments being over three times the number of rewards the authors make it very clear that our vengeful God does not hesitate to punish anyone who does not obey his commands including the Israelites Furthermore the punishments are considerably more horrible than the rewards are wonderful God punishes all humanity by killing everyone with a flood except Noah and his family and as a reward He promises never to do it again Many times God has threatened to wipe the people out and has killed many tens of thousands in punishment but has never let them perish reward In contradiction God commands people to live a maximum of 120 years that is contradicted on many occasions Soon after flooding the earth killing all except Noah and his family God forbids people to kill other people Repetitions occur once twice or many times The repetitions are in all Five Books Pharoah s hardened heart and what God did for the Israelites in Egypt is repeated thirty nine times The Teachings i e the Torah are for all time repeated forty eight times The wonders God performed is repeated thirteen times and his promises occur sixty times Making an oath a pledge or a vow is repeated seventy one times twenty three times and nineteen times respectively Many of the commandments are redundant varying language to say the same thing usually with a negative and a positive commandment Many are repeated in more than one Book Deception and lying are human traits utilized by both humans and God God deceives Abraham to sacrifice his son Isaac to test his faithfulness and at the last moment gives him a ram entangled in a thicket to sacrifice instead of his son Rebekah who favored her son Jacob over Esau deceived her husband Isaac who favored Esau into blessing Jacob disguised as Esau Laban deceived Jacob and received fourteen years of his labor so he could marry his two daughters Leah and Rachel Rachel deceives both her husband Jacob and her father Laban by secretly taking Laban s idols Simeon and Levi deceive the men of Shechem with a peace pact they do not uphold Jacob s sons deceive their father regarding the fate of their brother Joseph who they sold to a passing caravan headed toward Egypt When Er died his father Judah did not give his wife Tamar one of Er s brothers so she could bear a child Tamar deceived Judah into lying with her so she could conceive a child The Teaching by God is a gift to the Israelites for all

time however it was used as a witness against the people for all their infidelities Gather to me all the elders of your tribes and your officials that I may speak all these words to them and that I may call heaven and earth to witness against them D31 28 Does creating humankind in the likeness of God mean our physical bodies are like our Creators or human characteristics traits senses and personalities are like our Creator or both God having human traits and characteristics is clear throughout the Five Books God s human traits throughout the five books include Forgiveness do for me and I will do for you tit for tat remembering anger and wrath changing one s mind showing one s power and glory impassioned compassionate making errors sense of smell and hearing disowning others testing others defiance showing displeasure and vexation making promises abandonment of others forecasting vengeance

Expectations (CliffsNotes-like Summary, Analysis, and Commentary) Jean Asta,2012-03-02 ABOUT THE BOOK I first read Great Expectations for a middle school English course Often I was one of the only kids in my class that would actually read the assigned title and this book was no different However while I normally read the books compulsively and didn t necessarily enjoy them Great Expectations I truly did relish reading I related strongly to Pip the protagonist who feels pressured by a mysterious benefactor to accomplish great things Because of the faith of this benefactor and his quick rise from a poor working background the young Pip often feels that he must be superior to his peers from more privileged backgrounds which often provokes their resentment The young me didn t recognize the cause and effect of Pip s behavior and the resulting abuse from the other kids but I think one of the reasons I identified with him so strongly was my own failure to recognize the effect my attitude might have had on the way I was treated Later in life I read Great Expectations again In this second reading I felt a strong kinship with the Pip character as an older man Despite all of the support he received from his benefactor he still ends up falling ill and deeply into debt and ultimately achieving a relatively mediocre life I too came into illness and debt in my early twenties which slowed down my progress in life significantly Pip s attitude of superiority toward his peers and the expectation that he will be great falls short of reality MEET THE AUTHOR Jean Asta is the owner of Asta Communications a freelance communications company providing writing editing and training services for clients around the globe She has a BA in English Literature and a Master s in Public Administration both from the University of Georgia EXCERPT FROM THE BOOK At the beginning of the tale Pip lives with his older sister and her husband Joe Gargery the blacksmith Pip and Mrs Joe lost their parents long ago and we get the sense that Mrs Joe has never really recovered from the tragedy While Pip s relationship with his ornery older sister is tenuous Joe actually cares for him throughout the story as if he were his own son On Christmas Eve Pip encounters an escaped convict who manipulates him into helping him to escape from the authorities The assistance forces Pip to be secretive with his family and to steal resources so that the convict can survive Pip feels a great deal of guilt about this especially because he mistakenly believes the convict was responsible for assaulting
