Quiet Moments For Worship Leaders Scriptures Meditations And Prayers:

Quiet Moments for Worship Leaders Marty Parks, 2008 Leading others in worship is a rewarding ministry But sometimes the business of choosing music coordinating rehearsals and leading services can overshadow your own time of worship and communion with God Before authentic worship can flow into others it must be purified and enriched in the water of God's truth Quiet Moments for Worship Leaders is a collection of daily meditations and devotionals that invite worship leaders pastors and other members to step away from the noise and stress of their day and spend a few moments in the quietness of God's worship and the confidence of His Word Using the ageless writings of the Book of Psalm Marty Parks explores the honest words of David Asaph and others and shares how their passion for worship their love of God's word and even their colossal failures offer us comfort and inspire us to infuse our lives with the strength and truth of His Word

On Target Paul D. Cairney, 2010-11-18 It may sound contradictory to be a leader in the military and a follower of Jesus Christ but if you commit yourself to following God first He will work through you as a leader to accomplish His will in amazing ways It is no accident that you are where you are as a leader in the military God knows what he wants to accomplish through you The Holy Bible has much to say to you as a leader in today's military There are many books on military leadership and many books on Christian leadership but this book explores that amazing challenge if you want to serve God and excel as a leader in the Armed Forces While this book looks at military leadership in particular any novice or experienced leader in any field can apply the Biblical leadership principles explored here in this book God's Word speaks volumes to leaders who want to fully live the life God has called them to even in such a challenging environment as the battlefield Read on What you find might surprise you
