The "Lost" Dialogue of Gregory the Great Carmel Posa, SGS, 2024-07-15 Discover the enduring legacy and ancient hagiographical method used to recover the missing life and voice of St Scholastica of Nursia In The Lost Dialogue of Gregory the Great Carmel Posa SGS applies a disciplined imagination and the ancient hagiographical method to recover the missing life and voice of St Scholastica of Nursia Drawing on a wide range of scholarship including Gregory the Great's four famous dialogues biblical models and the Rule of Benedict Posa follows a technique similarly used by Saint Gregory himself to create an engaging and credible account of Scholastica's life In The Lost Dialogue of Gregory the Great Posa's use of the hagiographical method as a disciplined imagination serves as a tool for the repositioning of women's lives in history By presenting a lost life of Scholastica into the hagiographic record of Christianity she gifts the Church for today with the story of a beloved saint that will not only inspire readers but encourage them to ponder more searchingly the sources of the wisdom contained in Benedict's remarkable Rule Carmel's careful methodology also offers readers an image of

Scholastica that has a spiritual standing apart from her famous and holy brother She retrieves the enduring legacy of Scholastica from the margins and places her into the center of monastic history in particular and church history in general Oblates Benedictines and those interested in monastic spirituality will also be challenged to reconsider those women whose voices have been erased devalued or ignored over the centuries and inspired to listen carefully to the whispered words and wisdom of women as we mark our journey together into a future full of hope with Christ and his Gospel for our guide **The Library of Paradise** David Allen Michelson,2023-01-13 Contemplative reading is a spiritual practice developed by Christian monks in sixth and seventh century Mesopotamia The Library of Paradise tells the story of this Syriac tradition in three phases its establishment as an ascetic practice the articulation of its theology and its maturation and spread

LaBelle,2020-07-02 The tradition of Christian spirituality offers many insights and courageous personal examples to guide contemporary disciples in following the way of Jesus The thoughts of early Christian writers martyrs medieval mystics and notable Christians from more recent centuries have all contributed to the development and understanding of the Christian virtues contained in this book Christian spirituality offers a practical wisdom that has been tempered by the joys and trials of past centuries helping to form and strengthen disciples of later generations It offers the same for our time Each Christian virtue in this book reveals a timelessness that offers an old yet rearticulated quality for our contemporary Western world that regrettably tends to overlook the riches of the classical Christian tradition Christian disciples are called to follow in the footsteps of Jesus and experience the fullness of life that he did through interiorizing Jesus way of relating to others His faithfulness and openness to the love of his heavenly father enabled Jesus to fully and freely share that love with others Examining and embracing these seven Christian virtues will help to strengthen us along our journey as they have for countless disciples over the centuries **From the Tools of Good Works to the Heart of Humility** Aquinata Böckmann,2017-12-01 In a new volume of her exegetical commentary Sr Aquinata Böckmann explores chapters 4 7 of the Rule of St Benedict They contain Benedict s instruction of how to learn and live the spiritual art of monastic life that is focused on Christ In her close reading of the text and its sources she pursues questions such as the

following How do general Christian rules help us to live in community How does obedience lead us closer to Christ How does silence build community How does humility deepen our love for Christ and those around us Never losing sight of the reality of monastic life Sr Aquinata weaves together Benedict's wisdom and today's challenges to show the crucial spiritual elements of his Rule The Sayings and Stories of the Desert Fathers and Mothers, 2023-10-16 The Sayings and Stories of the Desert Fathers and Mothers offers a new translation of the Greek alphabetical Apophthegmata Patrum The Sayings of the Desert Fathers For the first time in an English translation this volume provides extensive background and contextual notes significant variant readings in the alphabetical manuscripts and textual differences vis vis the systematic and anonymous Apophthegmata reference notes to both quotations from Scriptures and the many allusions to Scripture in the sayings and stories In addition there is an extensive glossary that offers information and further resources on people places and significant monastic vocabulary Perfect for students and enthusiasts of the desert tradition Gender Violence in Late Antiquity Jennifer Barry, 2025 Gender Violence in Late Antiquity confronts the violent ideological frameworks underpinning the early Christian imagination arguing that gender based violence is not peripheral but is fundamental to understanding early Christian history By analyzing hagiographical and doctrinal writings Jennifer Barry reveals how male authors used portrayals of feminized suffering to shape ideals of sanctity and power exploiting themes of domestic abuse martyrdom and sexualized violence to reinforce their visions of piety The study first traces the roots of gendered violence within the Greco Roman and early Christian imagination and then explores the disturbing role of male fantasies and dreams in hagiographical traditions Barry draws on womanist scholarship and engages with trauma studies and feminist horror theory in order to challenge traditional readings of Christian texts offering new perspectives for understanding how narratives of violence continue to shape contemporary interpretations of gender and power
