Primary Lessons Memoir:

Alfred's Basic Jazz/Rock Course: Lesson Book, Level 4 Bert Konowitz, Adults can be taught the basics of jazz and rock music easily using this dynamic supplement to Alfred's Basic Adult Piano Course And teachers don't have to be jazz or rock experts to teach it Perfect for individual or group instruction and playable on both acoustic and electronic keyboard

Harmony Lessons, Book 2 (Note Speller 4) John W. Schaum, A practical volume that can be used by instrumental and vocal teachers who want their students to know some of the essentials of harmony but who haven't the time to teach it as a separate subject Thus a piano teacher for example can teach harmony in conjunction with the regular piano lesson At the end of Book 2 students will be able to harmonize melodies using a variety of harmonic accompaniment patterns Also included are exercises in transposition and composition

Harmony Lessons, Book 1 John W. Schaum, A practical volume to follow the SCHAUM NOTE SPELLER Book Two This is a book that can be used by instrumental and vocal teachers who want their students to know some of the essentials of harmony but who haven't the time to teach it as a separate subject Thus a piano teacher for example can teach harmony in conjunction with the regular piano lesson At the end of Book II we have employed harmony in an accompaniment sense rather than in the traditional four part harmony way Transposition has been treated both melodically and harmonically
