Princess Nina Learns The Hard Way:

Seducing the Princess Diane Alberts, 2014-12-15 He'll give her exactly what she needs Protecting a princess is not what former marine Gordon Waybrook signed up for when he joined the Shillings Agency But instead of the spoiled regal little creature he expects Isabelle VanGuard is a fiery sexy as hell woman who's been denied what she needs for too long And he's just the man to break through her frozen public facade and give it to her When she's with Gordon all Isabelle can think about is pleasure Their blistering chemistry is immediate and intense but volatile In fact the only thing they agree on is that their one night together is just that one night Even after it becomes more But tempers and temptation can't disguise reality Isabelle is a princess and a hot hard tattooed bodyguard isn't the Prince Charming her country expects even if he's exactly what she needs Each book in the Shillings Agency series is a stand alone full length story that can be enjoyed out of order Series Order Book 1 Temporarily Yours Book 2 Stealing His Heart Book 3 Seducing the Princess Book 4 Taking What's His Book 5 Say You're Mine Book 6 His Best Mistake

passion and honor as one man's life interweaves through one of the most interesting times in European history. Compelling dynamic action filled story with gorgeous scenes suspenseful episodes. Certain poignant aspects of the plot line still haunt me after the read. Pamela Jaye Smith internationally known story consultant to the Hollywood film industry. From People's War to People's Rule Timothy J. Lomperis, 2000-11-09 Timothy Lomperis persuasively argues the ironic point that the lessons of American involvement in Vietnam are not to be found in any analysis of the war by itself. Rather he proposes a comparison of the Vietnam experience with seven other cases of Western intervention in communist insurgencies during the Cold War era: China, Indochina, Greece, the Philippines, Malaya, Cambodia, and Laos. Lomperis maintains that popular insurgencies are manifestations of crises in political legitimacy which occur as a result of the societal stresses caused by modernization. Therefore he argues any intervention in a people's war will succeed or fail depending on how it affects this crisis. The unifying theme in the cases Lomperis discusses is the power of land reform and electoral democracy to cement political legitimacy and therefore deflect revolutionary movements. Applying this theory to the ongoing Sendero Luminoso insurgency in Peru, Lomperis makes a qualified prediction of that conflict's outcome. He concludes that a global trend toward democratization has produced a new era of people's rule.
