Murder In The Yoga Store The True Story Of The Lululemon Killing:

Murder in the Yoga Store Peter Ross Range, 2013-06-26 MURDER IN THE YOGA STORE is the true story of the brutal killing of a beautiful young woman at a chic Lululemon yoga wear shop. The grisly murder was committed on a pleasant Friday night in upscale Bethesda Maryland, a leafy suburb of Washington D C. In this riveting narrative by veteran journalist Peter Ross Range, the author for the first time brings together the tale of what really happened in the yoga store murder. He portrays the personalities of both victim and murderer along with the strange and convoluted circumstances of the crime and its cover up. Range meticulously exposes layer upon layer of deceit and confusion. His account builds the tension of the police investigation until the real story so odd and creepy takes your breath away. The drama of the murder trial is a moving emotional roller coaster built around the prosecutors, the detectives, and the family of the victim. Peter Ross Range is a longtime Washington D C magazine writer. A former White House correspondent for U S News World Report and foreign correspondent for Time, Range has covered politics, international affairs, and war. He has written for The New York Times Magazine, National Geographic, and many other publications.

The Yoga Store Murder Dan Morse, 2013-11-05 The full true story of the lululemon murder and what really happened to Jayna Murray and Brittany Norwood. Photos included. It was a crime that shocked the country. On March 12, 2011, two young saleswomen were found brutally attacked inside a lululemon athletica retail store in Bethesda, Maryland, one of the nation's wealthiest suburbs. Thirty-year-old Jayna Murray was dead, slashed, stabbed, and struck more than three hundred times. Investigators found blood spattered on walls and size fourteen men's shoe prints leading away from her body. Twenty-eight-year-old Brittany Norwood was found alive, tied up on the bathroom floor. She had lacerations, a bloody face, and ripped clothing. She told investigators that two masked men had slipped into the Bethesda lululemon store just after closing, presumably planning to rob it. She spoke of the night of terror she and her coworker had experienced. Investigators were sympathetic, but as the case went on, Brittany's story began to unravel. Why rob a business that dealt mostly in credit cards? Why was Jayna murdered but Brittany left alive? Could the petite, polite Brittany have been involved? Most chilling of all, could she have been the killer?
