a high window to his death she's confronted with a sight that's become all too common for her. And despite the fact that the crude and pompous victim was roundly disliked by all who knew him and that any number of people may have wanted him dead, Molly agrees to look into the murder for his surviving son. As the police go about their steady business of interviewing the dozens of people in attendance that night, Molly decides to look closer to home and begins questioning the staff and anyone else connected to the estate and the victim. More and more stories of the dead man's troubled life and marriage begin to emerge, including a potentially lucrative deal that's gone bust and an old Gordon family heirloom that's gone missing: a rare jeweled Fabergé egg once owned by the Empress Alexandra of Russia. When clues to the murderer's identity begin to accumulate, so too do the threats to Molly, and she knows she's getting close to the truth. But with a secret family history and an untold amount of money on the line, Molly knows she'll need to tread carefully before she becomes the latest victim of a killer trying to cover their tracks. A wonderfully written, captivating cozy novel with likeable main characters and an interesting plot. Goodreads review on *A Treacherous Trader*.

The Deeds of the Deceitful Ellery Adams, Tina Radcliffe, 2020-11-10 Welcome back to Hope Street Church, where friendships are formed, fresh starts are encouraged, and mysteries are solved. It's June in Virginia, and the scent of flowers and the sound of wedding bells are in the air, an unwelcome reminder to Cooper Lee of the long-distance relationship she recently ended. When Cooper and her Bible study group are invited to spend a weekend at a newly renovated historic inn, it's the perfect chance to get away with friends and put her bittersweet memories behind her. Until the inn's pompous co-owner is murdered, and one of the suspects is Cooper's own mother. Certain that someone on the inn's staff must have done the cruel deed, the Bible study group begins piecing together the clues, only to learn that everyone there has a motive for murder. When they discover that a valuable painting has also been stolen from the inn, they know they're up against an especially cunning evildoer. Determined to bring the culprit to justice and save her mother, Cooper and her friends devise a risky scheme to trap the killer, because even the Bible study group must sometimes work in mysterious ways. Includes heavenly recipes from Magnolia Lee's kitchen.
